

# Thousands of AFSCME Members

UC Berkeley

## STEP IT UP!

September 27, 2007

Thousands of members across the state took our fight to the streets to show UC that:  
*AFSCME is here and ready to fight!*

At the table, management told our bargaining team they want to **keep using a pay system that is designed intentionally so that workers do not reach the top of the range.**

We are **fighting for what other hospitals and community colleges have, like:**

- Steps at Market Rate
- Benefits protections
- Call pay
- Overtime pay after shift
- Many other things

We are **supported by:**

- State Senators and Assembly Members & Local Politicians
- Thousands of Students
- CNA, UPTE, UAW, AFT & CUE
- Central Labor Councils & Other Unions
- Religious & Community Groups

We must keep the pressure on for patients, students & our families!
