

Strike Bulletin: Ending Poverty Wages at UC

Day 3: July 16, 2008

Strikers Shut Down Regents Meeting in Santa Barbara !

Hundreds of Strikers attended this mornings Regents meeting at UCSB. After demanding an immediate contract settlement, they chanted until they shut down the meeting and were escorted out by UC Police. Assemblyman Dymally and Lieutenant Governor Garamendi walked the picket line with workers outside, in addition to advocating for us inside.

After picketing outside UCLA Medical Center, Senator Romero led a delegation on UCLA Administration. Romero assured UC that if there is not an immediate resolution of our contract dispute, *she will be back!*

Assemblyman Fuentes rallied at UC Davis while workers received food donations from the community.

Liberation & Solidarity at UCSD

In San Diego, Campus workers have been doing Liberation Marches, where they identify bad managers and collectively march on them!

Campus and Thornton Hospital Workers have decided to meet twice daily on the overpass which crosses the highway between the two facilities, to march together on the Medical Center.
