## PROTEST UC'S ILLEGAL OUTSOURCING

**UC** is growing, expanding, and making more profits, all at the expense of our future. Last year alone, UC Medical Centers' operating profit was **\$684 million!**

AFSCME 3299 has filed Unfair Labor Practice (ULP) charges against UC's new and unlawful efforts to bypass the union and spend hundreds of millions of dollars to outsource Patient Care, Service, and Skilled Craft jobs to low wage for-profit companies.

Our ULP Committee has unanimously decided to call for a strike. **JOIN US** at one of the following picket lines to fight back against UC's illegal outsourcing!
