**ARTICLE 1
ACCESS AND UNION RIGHTS**

A. GENERAL PROVISIONS

1. The parties acknowledge that it is in the Union's interest that it be granted access to University facilities for the purposes of ascertaining whether the terms of this Agreement are being met; engaging in the investigation, preparation, and adjustment of grievances; conducting Union meetings; explaining to bargaining unit members their rights and responsibilities under the Agreement; and informing bargaining unit employees of activities. In the interest of facilitating these purposes, and in accordance with local campus/medical center/Laboratory procedures, the parties agree to this Article.
2. AFSCME will abide by the reasonable access rules and regulations promulgated at each campus/medical center/Laboratory.

B. ACCESS BY THE UNION/UNION REPRESENTATIVES

1. Designated Union representatives who are not University employees, or who are not employed at the facility visited, may visit the facility at reasonable times and upon notice to discuss with the University or bargaining unit members' matters pertaining to this Agreement. In the case of visits for the purpose of conducting unscheduled meetings with bargaining unit members, the Union representative shall give notice upon arrival in accordance with local campus/medical center/Laboratory procedures. As currently provided, the Union shall be permitted to use a table in or near the main cafeteria at each facility, or in or near the lunchroom where no cafeteria exists.
2. Internal Union business such as membership recruitment, campaigning for Union office, hand billing or other distribution of literature, and all other Union activities shall take place during non-work time. Bargaining Unit employee rest and meal periods are non-work time for the purposes of this Article.
3. The Union will furnish the University with a written list of all designated Union representatives annually within the month of January. Any changes to the original list must be provided to the University in writing.
4. The University will provide AFSCME (local and systemwide offices) with a copy of the Access Rules and Regulations in place at each location within forty-five (45) days of the ratification of this Agreement.

C. The University retains the right to enforce access rules and regulations in accordance with local campus procedures including reasonable sanctions for access violations as appropriate for a violation. Any sanction imposed shall be reasonable and consistent with the law & local procedures/policies. The types of sanctions which may be imposed upon the Union as appropriate as a result of a University determination that an access rule or regulation has been violated include, but are not limited to:

1. expulsion of and denial of access to the particular non-employee officer(s) or representative(s) of AFSCME who violate the rule(s) or regulation(s) for a specified period of time or permanently;
2. denial of access to and discipline of University employee AFSCME representative(s) who violate the rule(s) or regulation(s);

3. loss of Union posting privileges on University bulletin boards for a specified period of time;
4. loss of University facility privileges for a specified period of time.

D. JURISDICTIONAL AREAS

1. The parties, by mutual agreement at each campus/medical center/Laboratory, shall designate jurisdictional areas for the purpose of grievance representation. AFSCME shall present its proposal for jurisdictional areas not later than the first scheduled campus/medical center/Laboratory labor-management meeting. The University and AFSCME agree that in order to minimize travel and loss of work time by grievance representatives, jurisdictional areas shall be limited to a reasonable size and area. To the extent possible, each jurisdictional area shall contain a similar number of employees.
2. Upon completion of designation of jurisdictional areas at each campus/medical center/Laboratory, AFSCME shall designate and certify to the University one grievance representative (and one alternate, if any) for each jurisdictional area. A designated grievance representative may be the grievance representative for one or more shifts. Subsequent to initial certification of grievance representatives at each campus/medical center/Laboratory, AFSCME shall maintain as current such list of grievance representatives. Until agreement has been reached regarding jurisdictional areas at each campus/medical center/Laboratory, the University will recognize grievance representatives certified as current at the time this Agreement is signed.

E. PATIENT CARE AREAS

1. AFSCME representatives shall have access to patient care areas only as necessary for travel to and from business in those places designated by the University. AFSCME representatives shall not contact bargaining unit members, linger in, or use patient care areas for the purpose of conducting AFSCME business. When the designated campus/medical center/Laboratory official and the AFSCME representative mutually agree that a visit to a patient care area is necessary in attempting to adjust grievances, access to patient care areas will be granted.
2. "Patient care area" includes:
 - a. Chart rooms and rooms that function as or are in the nature of chart rooms;
 - b. Nursing stations;
 - c. Patient and/or visitor lounges including patient conference rooms, sitting rooms, and solaria; Libraries or study areas located within patient care areas;

- F.** Union representatives shall be given a campus/medical center/Laboratory orientation which shall review access areas, general safety and health requirements, and procedures for the scheduling and use of certain rooms. Attendance at the orientation shall be a prerequisite to access. The University

and the Union may mutually agree to waive the prerequisite in the appropriate circumstances.

G. BULLETIN BOARDS

1. AFSCME shall have access to general purpose bulletin boards and shall have the use of those bulletin boards subject to campus custom, usage and practice. Such bulletin boards shall be provided for the display of appropriate materials related to union representation on the following basis:

Any materials posted must be dated and initialed by the Union representative responsible for the posting and a copy of all materials posted must be provided to the appropriate University representative at the location at the time of posting.
 - b. Bulletin board space available to AFSCME shall be maintained by the president of the local Union. Unless mutually agreed otherwise, no materials shall remain posted for a period of more than thirty (30) calendar days.
2. In the event the parties meet and mutually agree as to the location and size of additional bulletin boards, any and all costs associated with the purchase and placement of such boards shall be evenly split by the Union and the University.
3. Wall racks and literature display equipment, if any, shall be subject to the same provisions of this Article regarding bulletin boards.

Employees are responsible for paying any costs associated with such telephone usage in accordance with the departmental procedures in effect at the time. The frequency and duration of permitted phone calls shall not be such as to interfere with or disrupt the employees' completion of work assignments, nor impair the efficiency of University operations. The University may audit employee representatives' use of the telephone system to the same extent as it may audit other employees' use of such equipment.

J. E-MAIL USE

In addition, the list will include the home address, home telephone number, personal cell phone number, personal email address, and work location of bargaining unit members unless the employee has specifically requested in writing to AFSCME that the home and/or personal information not be released. The University will provide AFSCME a weekly list of changes (e.g. new hire, corrections, transfers, salary changes, contact information) via FTP that have occurred within the bargaining unit.
2. On April and October of each year, the University will provide AFSCME with a disaggregated bargaining unit demographics list that includes Age, Sex Code, Ethnic Origin Group Code, Medical Insurance Plan Coverage Code, Veteran Status Code, War/Campaign/Expedition Veteran Status Code, and Recently Separated Veteran Date.

4. Employee personal contact information (home addresses, home phone numbers, personal cell phone numbers, personal email addresses) shall be maintained as confidential by the Union. The Union shall take all reasonable

steps to ensure the confidentiality of all personal contact information provided to it under this Article.

5. 6. In the event legislation is passed that is applicable to the University of California and conflicts with this Article, the parties agree to meet and confer to amend this Article to comply with such legislation.

N. NEW EMPLOYEE ORIENTATIONS

The following provisions shall apply to “new employee orientation,” which means that onboarding process of a newly hired public employee whether in person, online, or through other means or mediums, in which a newly hired employee is advised of employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.

1. Notice:

The Employer shall provide the Union at least fifteen (15) business days’ written notice by email (to address that the Union shall provide to the Employer) of all group employee orientations in which Employer personnel advise newly-hired employees (including at least one newly hired employee in an AFSCME-represented title) of information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters. The Employer’s notice shall include the name, payroll title and department of all AFSCME-represented new employees anticipated to attend. If a new employee is hired less than fifteen (15) business days prior to an orientation, the Employer shall provide the Union notice concurrent with that provided to the new employee.

2. Access:

At all orientation meetings as defined in 1. above:

- a. The Employer shall afford the Union thirty (30) minutes during employees’ paid time to meet with (and provide materials and information) to all AFSCME-represented new employees who are present, outside the presence of management or labor relations/employee relations personnel. The Employer shall ensure that the Union’s meeting will be held in space that allows private communication with those in attendance.
- b. The University’s representative(s) advising new employees shall direct any questions regarding Union membership to the Union representative(s) and shall not otherwise comment on such matters.
- c. The Union’s meeting shall be shown as an integral part of the agenda for the orientation, shall not be scheduled to take place during any scheduled meal period or break time for the orientation, shall not be the final agenda item of any day, and shall not be scheduled after the conclusion of the agenda on any day.
- d. At the sole discretion of the Union, the Union’s representatives at the Union meeting may be staff representatives and/or union

stewards/MAT Leaders. Up to two (2) of the Union's representatives may be union stewards/MAT Leaders in a without-loss-of-straight-time pay status, provided use of the release time would not interfere with operational needs and has received prior supervisory approval. The hours so used shall be deducted from the ten (10) hours per month allotted in Article 9 – Grievance, Section F-2.

3. Alternate Access:

The provisions in this Paragraph shall apply in lieu of the provisions above when:

(a) new employee orientation is individualized; or (b) if, within thirty (30) days of beginning work, a new employee did not attend a group orientation meeting pursuant to Paragraphs 1 and 2. The Union is not entitled to access again (for the purpose of new employee orientation) to any newly hired employee who has already attended a group new employee orientation pursuant to Paragraphs 1 and 2.

- a. On a monthly basis, the Employer shall provide the Union with a list showing the name, title and department of all AFSCME-represented employees who did not, within the first thirty (30) days after beginning work, attend a group new employee orientation meeting pursuant to paragraphs 1 and 2.
- b. For each AFSCME-represented new employee who did not, within the first thirty (30) days after beginning work, attend a group new employee orientation meeting, the Union shall have the right to promptly meet with that employee to provide materials and information. If interested in holding such a meeting, the Union shall provide the Employer notice of its desire to do so within ten (10) business days of its receipt of the aforementioned list from the Employer. To arrange such a meeting, the Union shall notify the Employer's designated Labor Relations representative of the Union's desire to schedule such a meeting and shall work together with the designated Labor Relations representative to schedule a period of thirty (30) minutes during normal working hours, for up to two (2) Union representatives to meet with (and provide materials and information to) the new employee or employees. The meeting shall be held outside the presence of management personnel or management representatives, in space that ensure privacy. If the aforementioned list shows five (5) or more employees from a particular location, the Union and the Labor Relations representative shall work together to schedule a mutually agreeable period of thirty (30) minutes for the Union to meet privately with that group of employees, rather than individually with employees within that group.
- c. The new employee or employees shall attend the Union meeting in without-loss-of-straight-time pay status. The Union representatives at the meeting may be staff representatives and/or union stewards/MAT Leaders. Union stewards/MAT Leaders shall attend in a without-loss-of-straight-time pay status, provided use of the release time would not interfere with operational needs and has received prior supervisory approval. The number of hours so used shall be deducted from the ten (10) hours per month allotted in Article 9 – Grievance Procedure, Section F-2.

3. Union Reimbursement

Leaves shall be granted based on operational need, including consideration when multiple requests are submitted from employees on the same shift in the same operational area.
- b. The granting of such permission to local stewards and officers shall be subject to the operational needs of the University and may be granted to one or more, but not necessarily all, such employees on the same shift in the same operational area. If proper notice is provided such permission shall not be denied unreasonably.
- c. The University shall not be required to return an employee on paid leave to active employment status prior to the completion of the stated duration of the leave. The parties may agree to shorter notice.

The granting of such permission to local stewards and officers shall be subject to the operational needs of the University and may be granted to one or more, but not necessarily all, such employees on the same shift in the same operational area. If proper ten (10) calendar day notice is provided such permission shall not be denied unreasonably.

Q. FAILURE TO RETURN FROM LEAVE

ARTICLE 2 AGREEMENT

A. This Agreement is made and entered into on this January 31, 2020, pursuant to the provisions of Articles 1 through 11 of the Higher Education Employer-Employee Relations Act (HEERA) by and between The Regents of the University of California, a corporation (hereinafter referred to as the "University" or "management" or "employer") represented by the Office of the President of the University of California system, and the American Federation of State, County and Municipal Employees 3299 (hereinafter referred to as "AFSCME" or the "Union" or AFSCME Local 3299).

B. PURPOSE OF AGREEMENT

1. It is the intent and purpose of the parties hereto that this Agreement constitutes an implementation of the provisions of HEERA and provides for orderly and constructive employment relations in the public interest, in the interests of the University, and the interests of the employees represented by AFSCME.
2. The parties hereby acknowledge that this Agreement represents an amicable understanding reached by the parties as a result of the unlimited right and opportunity of the parties to make any and all demands with respect to the employer-employee relationship which exists between them relative to the scope of bargaining.
3. This Agreement recognizes one certified bargaining unit. Each provision of this Agreement applies to that bargaining unit unless specified otherwise.

C. RECOGNITION

1. Pursuant to and in conformity with the certifications issued by the Public Employment Relations Board (PERB) of the State of California in case number SF-HR-11, the University recognizes AFSCME as the sole and exclusive representative for the purposes of collective bargaining with respect to wages, hours, and terms and conditions of employment for all

1. In the event the University determines that a position should be reclassified or designated for exclusion with the result that the position would be removed from the unit, it shall notify the Union in writing.
2. If AFSCME determines to challenge the University's proposed action, it shall notify the University in writing within thirty (30) calendar days from the date of the University's notice.
3. If AFSCME does not contest the action within the thirty (30) calendar day period, the action shall be deemed agreeable to the parties.
4. When AFSCME provides timely notice of its challenge, the parties will meet and discuss AFSCME's concerns. Any unresolved disputes that remain following these discussions may be submitted to PERB for resolution.
5. Until the bargaining unit assignment is either agreed to by the parties or finally resolved through the PERB unit modification procedures,
 - a) the affected position(s) or title(s) shall remain in the unit,
 - b) the University may, in compliance with Article 42, Wages, Section B, Other Increases, of this Agreement, increase compensation for the affected position(s) or title(s), and
 - c) the duties associated with the proposed reclassification may be assigned to the affected employee(s).

The notice to the union shall include a statement or reason(s) for the creation of the new classification. AFSCME shall have thirty (30) calendar days after mailing of such notice to contest the University's assignment of the newly created classification/title to the bargaining unit. Employees shall not be placed in the new classification/title until the thirty (30) day notice period is complete. If AFSCME does not contest the bargaining unit assignment of the newly

created position within the thirty (30) calendar day notice period, the unit assignment of the new classification shall be deemed agreeable to the parties and employees shall be assigned to the newly created classification.

- a. If the new classification is in the bargaining unit in accordance with the provisions of §F.1., above, the University and AFSCME shall meet and confer regarding the salary range and ancillary pay practices for that new classification, except that the salary rate for a newly established Per Diem position shall be in accordance with the provisions of Article 29 – Positions/Appointments.
- b. If AFSCME contests the bargaining unit assignment of the newly created classification/title within thirty (30) calendar days of receiving notice from the University, the University and AFSCME shall meet and discuss in an effort to reach agreement on the bargaining unit assignment for the classification. If the parties are unable to reach agreement regarding the bargaining unit assignment of the title/classification, the dispute shall be submitted to PERB for resolution.
- c. No employees shall be assigned to the newly established classification or title until the bargaining unit assignment is either agreed to or resolved by PERB, although the duties associated with the position may be assigned to the affected employees.
- d. If the inclusion of a new class within the bargaining unit covered by this Agreement is found appropriate by PERB, the University shall meet and confer regarding the salary range and ancillary pay practices for the new classification as provided in 2.a. above.

Personal presentation - the person presenting the document(s) shall complete and sign the prescribed and appropriate Proof of Service form which shall indicate they have delivered the document(s) by hand and to whom the document(s) were delivered; or the person delivering the document(s) and the person accepting delivery of the document(s) shall mutually acknowledge the delivery/receipt by signing and dating the document(s) and a copy of the document(s) and each of them retaining one of the signed and dated document(s); or
 3. Email to AppealAGrievance@ucop.edu.
 - a. Email submissions must include PDFs of all documents, information and signatures necessary to be in compliance with the Arbitration Procedure provisions of this Agreement.
 - b. The 'date of filing' for emailed Appeals to Arbitration shall be the date received on the University server, provided that the appeal is received during business hours. If an Appeal to Arbitration is received outside of normal business hours, the first following business day will be deemed the filing date of the Appeal to Arbitration.
 - c. The University shall acknowledge the Union's Appeal to Arbitration through a computer-generated, automatic email response.
- B.** Grievances which are not processed within the above time limit, and/or which do not contain the appropriate Union signature, will be considered ineligible for appeal to arbitration. If an unresolved grievance is not appealed to arbitration or heard in arbitration, the last preceding University written answer shall become final.
- C.** A request for arbitration utilizing the expedited grievance procedure provided in Article 9 - Grievance Procedure, Section I.2.f., may be made only by AFSCME in accordance with Section A. above. Request for arbitration under this section must include a copy of the completed grievance form.
- D.** Within 15 calendar days of service upon the University of AFSCME's appeal to arbitration of a grievance, the University shall acknowledge receipt of the appeal and shall indicate the University's office of representation for the grievance. The acknowledgement shall indicate the location to which all correspondence and contact should be made relative to the Arbitration Procedure and shall include a Proof of Service.
- E.** Within 30 calendar days of service upon AFSCME of the University's acknowledgement of a grievance having been appealed to arbitration as indicated in C. above, the parties shall attempt to mutually agree to the selection of one arbitrator from the permanent panel to serve as arbitrator for the appealed grievance.
- F.** The scheduling of the arbitration hearing date must be accomplished no later than 90 calendar days from the date the grievance was originally appealed to arbitration. Failure to invoke the process described in Sections H. and I. below, within 90 calendar days will render the grievance ineligible for arbitration and the last preceding University written answer shall become final.
- G.** Time limits related to the Arbitration Procedure may be extended by mutual written agreement of the parties in advance of the expiration of the time limit. Deadlines which fall on a day which is not a campus/Laboratory business day will automatically be extended to the next business day.
- H. SELECTION OF THE ARBITRATOR**
1. If the parties mutually agree to the selection of the arbitrator, a letter signed by both parties shall promptly be sent to the arbitrator notifying him or her of his/her selection and requesting a hearing date. In the event the parties anticipate a hearing involving more than one day, they shall at the time of notice to the arbitrator of his or her selection estimate the number of days

the hearing will require. Available arbitration date(s) shall not be any earlier than 21 calendar days from the arbitrator's receipt of his or her selection to hear the arbitration.

2. If the parties fail to reach mutual agreement as to the selection of an arbitrator for a grievance appealed to arbitration pursuant to Section E. above, selection shall be made as follows:
 - a. The names of five members from the northern or southern permanent panel group shall be drawn by blind lot.
 - b. The parties shall alternately strike names from the list of five. The flip of a coin shall determine the party to begin the alternate process of the striking of the names.
 - c. The one name remaining after each party has stricken two names shall be the arbitrator designated to conduct the hearing.
 - d. If both parties mutually disagree with the arbitrator name which has been selected using the above process, the process shall be repeated in its entirety in order to determine a selected arbitrator.
 - e. If, after two attempts, the parties mutually disagree with the arbitrator selected, then one party, chosen by the flip of a coin, shall draw one name by blind lot from the northern or southern group and that arbitrator shall hear the arbitration case.

I. SCHEDULING THE ARBITRATION HEARING

1. Should the parties be unable to agree to a hearing date, the authority to schedule the hearing rests with the arbitrator. The parties may, however, mutually agree in writing in advance to extend the 90-day time limitation. In such cases the arbitrator shall be informed of the parties' mutual agreement and shall be provided with a copy of such written agreement.
2. Should the Union make a request that the grievance be placed in abeyance for any reason, the period of abeyance shall not exceed six months. The Union further agrees that grievances placed in abeyance shall have the time limits tolled during this period. Failure by the Union to reactivate the grievance within the six-month time limit following request that it be held in abeyance will render the grievance ineligible for arbitration and the last preceding University written answer shall become final.

J. ARBITRATION PROCEDURE

1. The Arbitration Procedure of this Agreement may be invoked only by AFSCME.
2. Unless there is mutual agreement by both parties to modify the scope of the hearing, the issue to be heard by the arbitrator shall solely and in its entirety be restricted to the matter which was the subject of the grievance as stated at Step 3 or in the case of an expedited grievance, as stated at the Step 2 hearing. The decision of the arbitrator will be restricted to whether there is a violation of the Agreement as set forth in the last preceding written answer of the University. If such a violation is found, the arbitrator shall specify the remedy in accordance with the terms of this Agreement.
3. The arbitration hearing shall provide an opportunity for AFSCME and the University to examine and cross examine witnesses under oath or affirmation and to submit relevant evidence. AFSCME shall not seek to introduce new issues or allegations at the arbitration hearing. Evidence or facts which were known to AFSCME but not introduced during the last preceding formal grievance step of the Grievance Procedure shall not be introduced by AFSCME at the arbitration hearing.

4. Settlement offers made during the Grievance Procedure shall not be introduced as evidence in the arbitration hearing.
5. When the University has the information upon which to base a challenge to the arbitrability of a grievance and has such information prior to the selection of an arbitrator, the University shall inform the Union in writing of the intent to raise the issue of arbitrability prior to the selection of the arbitrator.
6. Should arbitrability of the subject matter be an issue, a separate arbitrator shall be appointed to determine the question of arbitrability unless the parties agree otherwise. Should procedural arbitrability be an issue in addition to subject matter arbitrability, two arbitration hearings will be held using two different arbitrators with the hearing on the arbitrability of procedure being held first, unless the parties agree otherwise.
7. Where two or more grievances are appealed to arbitration an effort will be made to consolidate the grievances and agree upon a single arbitrator.
8. Arbitration hearings conducted pursuant to this Article shall be closed unless the parties mutually agree otherwise in advance and in writing.
9. The arbitrator shall have the obligation of assuring that all necessary facts and considerations are brought before him or her by the representatives of the parties at the hearing. In all respects he or she shall assure that the hearing is a fair one. The arbitrator shall be the sole judge of the relevancy and materiality of the evidence and testimony offered. The arbitrator may receive and consider evidence but shall give appropriate weight to any objections made. All documents to be considered by the arbitrator shall be filed at the hearing.
10. The decision of the arbitrator on any issue properly before him or her shall be final and binding upon the University, the Union and all employees. The arbitrator's authority shall be limited to determining whether the University has violated the provision(s) of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify or ignore in any way the provisions of this Agreement and shall not make any award which would, in effect, grant the Union or the employee(s) any matters which were not obtained in the negotiation process.
11. The arbitrator shall have the authority to subpoena and require the attendance of witnesses upon the reasonable request of either party. The expense of service and appearance fees, if any, shall be borne entirely by the party requesting the subpoena of witnesses and the arbitrator shall, in advance of the hearing date, inform each party of the identity of witnesses subpoenaed by the other party.
12. Either or both parties may, at their discretion, file briefs with the arbitrator. The order and time limits of briefing shall, on a case by case basis, be as mutually agreed upon by the parties or as specified by the arbitrator. Briefing time limits may be extended if mutually agreed upon by the parties.
13. The arbitrator shall consider the evidence presented and render a written decision within 30 calendar days of the close of the record of the hearing.
14. With regard to a grievance appealed to arbitration for which in whole or in part the remedy sought involves back wages or other monetary reimbursement, the University shall not, in providing such remedy as a result of an arbitrator's award or a settlement, be required to make any payment of wages or any other monetary reimbursement for:
 - a. any period of time during which an extension of time limits has been granted at the request of AFSCME;
 - b. any period of time between the date a hearing was originally scheduled to be held and, due to a request from AFSCME to postpone or change the scheduled hearing, the rescheduled date of the hearing; and

- c. Any period of time earlier than 30 days prior to the date of filing of the Step 1 written grievance.
- 15. If the grievance is sustained in whole or in part, the remedy shall not exceed restoring to the employee the pay, benefits or rights lost as a result of a violation of the Agreement less any compensation from any source, including, but not limited to, Workers' Compensation and Unemployment Insurance benefits. The decision of the arbitrator, within the limits described herein, shall be final and binding.
- 16. Except for the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages, an award of an arbitrator with respect to any grievance which shall be submitted to him or her shall not in any case be made retroactive to a date earlier than 30 calendar days prior to the initiation of the written grievance in Step 1 of the Grievance Procedure. For grievances involving the correction of an error in the payment of wages or the correction of mathematical calculations, recording or accounting errors relating to the payment of wages (for example vacation leave, holidays, overtime, military leave or the amount of shift differentials, if any) shall not be made retroactive to a date earlier than two years prior to the initiation of the written grievance in Step 1 of the Grievance Procedure.
- 17. In any settlement of a grievance appealed to arbitration involving retroactive payments, the appropriate University and Union representatives shall expeditiously determine the identity of the payees and the specific amount owed each payee. Such amount of payment shall be final and no individual employee or group of employees may subsequently grieve the amounts received.
- 18. Awards involving monetary payment and/or credit shall be limited in their calculation to the utilization of the employee's actual and appropriate wage or benefit amount and shall not include the awarding of interest or any other payment/credit unrelated to a benefit amount or an hourly wage. Upon the motion of either party, or at his or her own discretion, an arbitrator may retain jurisdiction in cases involving an award of retroactive monetary payment and/or credit.
- K.** The cost of the arbitrator and expenses of the hearing will be shared equally by the University and AFSCME. If either party or both parties request that a stenographic record of the hearing be made and transcripts provided, the parties shall equally share the entire cost of such service and the cost of the provision of a transcript to each party and the arbitrator.
- L.** Witnesses who appear at the arbitration hearing at the request of the Union shall be in a without-loss-of-straight-time pay status for time spent actually giving testimony. Every effort shall be made by the Union to avoid the presentation of repetitive witnesses. The grievant (one grievant in a group grievance) shall be in a without loss-of-straight-time pay status at the arbitration hearing. The University shall not be responsible for any lodging, travel or other expenses incurred by grievants, witnesses or Union representatives with regard to the arbitration hearing. The University shall not be required to grant without-loss-of-straight-time pay status to more than one employee Union representative for attendance at any one arbitration hearing.
- M.** An appeal to arbitration shall not constitute a bar to efforts by the University and AFSCME to achieve resolution of the grievance appealed to arbitration during the time the appeal is pending and until such time that an arbitrator has rendered his or her decision.
- N.** AFSCME shall have full authority to settle, withdraw, or otherwise dispose of any grievance brought on behalf of the Union and/or on the behalf of employees. An agreement to settle, withdraw, or otherwise dispose of a grievance appealed to arbitration reached by and between the University and AFSCME shall be binding upon employees represented by AFSCME.

O. PANEL OF ARBITRATORS

1. The University and AFSCME agree that there will be a permanent panel of 32 arbitrators selected to hear arbitration cases which are scheduled for hearing pursuant to the provisions of this Article. Sixteen shall be selected to hear cases involving the northern campus/Laboratory locations and 16 shall be selected to hear cases involving the southern campus locations.
2. Annually each party shall have the right to eliminate up to two arbitrators from the panels. A party exercising this right shall notify the other party in writing of the name(s) of the arbitrators to be stricken from the panel(s).
3. In replacing arbitrators who were eliminated or removed themselves from the panels the parties will attempt to mutually agree upon replacements. If mutual agreement cannot be reached, replacement arbitrators will be selected alternately by the parties. The party selecting first shall be determined by the flip of a coin. Any arbitrator eliminated may not be placed back on a panel for two years.

P. In all cases appealed to arbitration pursuant to the terms of this Article and this Agreement, with the exception of those cases in which the issue is that of actions taken by the University pursuant to Article 7 - Discipline and Dismissal, AFSCME shall have the burden of proceeding and the burden of proof. The burden of proceeding and proof in cases in which the issue is that of actions taken by the University pursuant to Article 7 - Discipline and Dismissal, shall be the University's cases in which the issue is that of actions taken by the University pursuant to Article 7 - Discipline and Dismissal, shall be the University's.

Q. Under no circumstances shall any grievance involving employees engaged in the violation of Article 20- No Strikes be discussed or processed by the University to the arbitration stage or heard by an arbitrator while such violation continues. This provision shall not, however, waive compliance with the time limits for filing grievances or appeals from decisions rendered with regard to grievances or appeals to the Arbitration Procedure. Any grievance settlements and arbitration awards regarding back pay and/or reinstatement of benefits for employees who engage in violations of Article 20 - No Strikes shall not be made for any period of the time during which violations of Article 20 - No Strikes are occurring or have occurred.

R. At all steps in the Grievance Procedure and in the Arbitration Procedure the grievant and the Union representatives shall materially expedite the resolution of the grievance by disclosing to the appropriate University representatives a full and detailed statement of the facts relied upon, the remedies sought, and the provision(s) of the Agreement relied upon.

ARTICLE 4A

UNIVERSITY HEALTH AND WELFARE BENEFITS

A. GENERAL CONDITIONS

Eligible employees may participate in a number of benefit programs generally available to other eligible non-managerial, non-supervisory, non-confidential, non-academic employees of the University.

1. The University's annual Open Enrollment is a period in which eligible employees may elect to change health and welfare plans or coverage options. This process affords employees the opportunity to choose among plans due to changes in employee circumstances, coverage and costs of each plan, and plan availability, which may change from year to year.
 - a. The University may, at its option during the term of this Agreement, alter its health and welfare programs. Such alterations include, but are not limited to altering eligibility criteria, establishing new coverage, altering or deleting current coverage, changing the carrier for established plans or programs, adjusting pay bands, or altering

employee and University monthly rates of contribution (except as modified by A.3. b. below). In the event the University makes such alterations, the changes will apply to employees eligible for benefits within the unit in the same manner as they apply to other eligible staff employees at the University.

- b. The sole exceptions to §A.1.a. shall be any alterations proposed by the University which affect only bargaining unit employees.
- 2. Employee costs for healthcare premiums and costs for plans to which the University does not contribute, are to be paid by unit employees, normally through payroll deduction.
- 3. Beginning in calendar year 2020 increases in employee contribution rates for the Kaiser and UC Health Net Blue and Gold plans shall not exceed \$10 per month (up to aggregate increase of \$120/year) over the prior year for each year of the agreement.
- 4. Employees shall pay the 2020 healthcare premium costs, in accordance with Section A.2 above, as follows:

Full-time salary rate of \$58, 000 or less

Plan	Self	Self + Child(ren)	Self + Adult	Family
Core (PPO)	\$0.00	\$0.00	\$0.00	\$0.00

Kaiser Permanente – CA (HMO)	\$22.97	\$41.35	\$50.31	\$68.66
UC Care (PPO)	\$141.74	\$255.13	\$358.26	\$471.65
UC Health Savings Plan (PPO)	\$22.97	\$41.35	\$50.31	\$68.66

Full-time salary of \$58,001 - \$114,000

Plan	Self	Self + Child(ren)	Self + Adult	Family
Core (PPO)	\$0.00	\$0.00	\$0.00	\$0.00
Health Net Blue & Gold (HMO)	\$88.82	\$159.87	\$254.11	\$325.17
Kaiser Permanente – CA (HMO)	\$61.15	\$110.07	\$137.47	\$186.37
UC Care (PPO)	\$179.92	\$323.85	\$445.42	\$589.36
UC Health Savings Plan (PPO)	\$61.15	\$110.07	\$137.47	\$186.37

B. EFFECT OF ABSENCES FROM WORK ON BENEFITS

1. **Temporary Layoff/Temporary Reduction In Time/Furlough** – Health plan contributions by the University will be provided for unit employees, in accordance with Section C, below, when the employee is affected by the following conditions lasting up to 4 months: a temporary layoff; a temporary reduction in time below the hours required to be eligible for health benefits; or a furlough. For health plans to remain in force, employees on temporary layoff or furlough must comply with the terms of the applicable plan documents, rules and/or regulations.
2. **Military Leave** – An eligible employee on military leave with pay for emergency National Guard duty or Military Reserve Training Leave shall receive those benefits related to employment that are granted in the University's Military Leave policy and its related documents.
3. **Leaves Of Absence Without Pay**
 - a. Approved leave without pay shall not be considered a break in service and, except as provided in Section 3.c., below, shall not determine eligibility for benefits.
 - b. Except as provided in Sub-Sections 3.b. 1) - 6), below, an eligible employee on approved leave without pay may, in accordance with the plan documents, rules and regulations, elect to continue University-sponsored benefit plans for the period of time specified in the plan documents, rules and regulations.
 - 1) When the employee is on an FML leave that runs concurrently under the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA): Continued coverage for up to twelve (12) workweeks in a calendar year.
 - 2) When the employee is on a Military Caregiver Leave under the FMLA: Continued coverage for up to twenty-six (26) workweeks in a single twelve month period. For purposes of Military Caregiver Leave, the "single twelve month period" is the period beginning on the first day the employee takes the leave and ending twelve (12) months after that date.
 - 3) When the employee is on Qualifying Exigency Leave under the FMLA: Continued coverage for up to twelve (12) workweeks in a calendar year.
 - 4) When the employee is on a Pregnancy Disability Leave under the California Pregnancy Leave Law, regardless of whether any of the leave runs concurrently with the FMLA: Continued coverage for up to four (4) months in a twelve month period. If any of the Pregnancy Disability Leave runs concurrently under the FMLA, the continued coverage provided for that portion of the leave will count towards the employee's FMLA entitlement for up to twelve (12) workweeks of such coverage in a calendar year.
 - 5) When the employee is on an FML leave under the CFRA that does not run concurrently under the FMLA (e.g., Parental Leave after the employee's FMLA entitlement is exhausted): Continued coverage for up to twelve (12) workweeks in a calendar year.

- 6) To continue health plan coverage during an approved FML leave, an employee must continue to make any contributions that he/she made before taking leave. For any paid portion of the leave, employee contributions will continue to be deducted from the employee's pay check. Failure of the employee to pay his/her share of the health insurance premium may result in loss of coverage.

**ARTICLE 4b
UNIVERSITY RETIREMENT & SAVINGS PLANS**

A. GENERAL CONDITIONS

Eligible employees may participate in a number of retirement plans generally available to other eligible non-managerial, non-supervisory, non-confidential, non-academic employees of the University, except as provided below.

B. RETIREMENT AND SAVINGS PLANS

1. The University maintains several retirement and savings plans for eligible University employees. Currently, such plans include but are not limited to, the UC Retirement Plan (UCRP), Tax-Deferred 403(b) Plan, Defined Contribution Plan (DCP) and 457 (b) Deferred Compensation Plan, which collectively constitute the University of California Retirement System (UCRS). The University may at its option, alter, amend or terminate the existing UCRS plans and establish new retirement and/or saving plans for the UCRS. Such alterations include, but are not limited to altering eligibility criteria; altering or deleting current benefits; implementing the UCRP 2013 Tier for employees hired or who become UCRP eligible on or after July 1, 2013; altering employee and University rates of contribution, and changing the carrier or administrator for established plans or programs. In the event the University makes such alterations, (or proposes changes pursuant to Section B.5 below), the changes will apply to employees eligible for retirement benefits within the unit in the same manner as they apply to other eligible staff employees in the same tier. Where the University makes such alterations to a particular UCRP Tier (e.g., 1976, 2013), the changes will apply to eligible unit employees in the same manner as they apply to the other eligible staff employees in the same UCRP Tier, except in the earliest retirement age, age factors and employment contribution rates described in Section B.2. below shall not be reduced during the term of this Agreement.

2. For UCRP-eligible employees hired or rehired following a break in service or who become UCRP eligible on or after July 1, 2013 but prior to July 1, 2018, the pension benefits shall be as follows:

The 2013 Tier benefit provisions shall apply, with two exceptions: The earliest retirement age and age factors shall be the same as for the 1976 Tier (2.5% age factor at age 60, eligible for early retirement at age 50). Retiring employees may elect either a lump sum cash-out of pension benefits or annuitized payments (same as 1976 Tier payment option). All UCRP-eligible bargaining unit employees (regardless of date of hire or UCRP tier placement) shall contribute a gross rate of 9% to UCRP

effective the first full bi-weekly pay period on or after July 1, 2014. The contributions for employees who are 1976 Tier members will continue to be offset by \$19 per month.

3. UCRP 2013 Modified Tier

After ratification, all new or rehired employees shall be in the 2013 Modified Tier.

4. Retiree Health Eligibility

Any bargaining unit employee in a UCRP eligible position as of December 31, 2013 will be grandfathered for the purpose of determining retiree health program eligibility (graduated eligibility beginning at age 50 with 10 years of service credit).

Any employee hired or rehired following a break in service, or who becomes UCRP eligible after December 31, 2013 will be subject to the new Graduated Retiree Health Program Eligibility (graduated eligibility beginning at age 56 with 10 years of service credit), as shown in Appendix F.

5. The University shall not make changes or alterations that reduce the UCRP Retirement Benefits Formula and/or increase employee UCRP contributions.

C. EFFECT OF ABSENCES FROM WORK

1. **Leaves of Absence Without Pay** – Approved leave without pay shall not be considered a break in service. The provisions of the applicable retirement plan regulations determine the effects of such leave without pay on retirement benefits.
2. **Family Medical Leave Act** – Retirement benefits shall be continued in accordance with the provisions of the applicable retirement plan regulations.

D. ENUMERATION OF UNIVERSITY BENEFITS

1. For informational purposes only, a brief outline of UCRS programs in effect on the date the Agreement is signed is found in Appendix C. AFSCME understands and agrees that the descriptions contained in Appendix C do not completely describe the coverage or eligibility requirements for each plan, the details of which have been independently communicated to AFSCME.
2. Specific eligibility and benefits under each of the various plans are governed entirely by the terms of the applicable Plan Documents and regulations, and state and federal laws. Employees in an ineligible classification are excluded from coverage, regardless of appointment percent and average regular paid time. For details on specific eligibility for each plan, refer to the applicable documents, agreements, regulations, or contracts.

ARTICLE 5 CONTRACTING OUT

A. GENERAL CONDITIONS

1. There shall be a general prohibition on contracting for services and functions that can be performed by University staff.
2. The University will utilize its employees to perform Covered Services (as defined in subparagraph 6 below) to the greatest extent possible before resorting to the use of contractors to provide such services.
3. Contracting for covered services is only permissible under the limited circumstances described in Section C. of this Article or under other circumstances where contracting out is required by law, Federal requirement, contract or grant requirement, or court decisions or orders.
4. Nothing in this Article prohibits an individual employee working for a contractor from applying for open University positions for which the University is recruiting.
5. Where this Article requires that contracted work (currently performed as of ratification date) be brought in house, the deadline for insourcing the work shall be as soon as possible, but in any event no later than one year from the date of ratification.
6. Covered Services: Covered Services, as used in paragraph 1. above refers to work customarily performed by bargaining unit employees, whether in whole or in part, including but not necessarily limited to the following services: cleaning, custodial, janitorial, or housekeeping services; food services; laundry services; grounds keeping; building maintenance (excluding skilled crafts); transportation and parking services; and security services.

B. EMPLOYMENT STANDARDS:

1. Those contracts that include Covered Services shall require the contractor to provide its service employees, and any contracted individuals, who work at University locations, including on properties that the University has leased from or to a third party and public private partnerships, with wages and benefits of equivalent value to those provided to bargaining unit employees performing the same or similar work at the location where the work is being performed, or nearest University location if there are not bargaining unit employees performing the same or similar work at the location. Covered services do not include existing contracts for lease agreements for commercial tenants who provide direct to the public sales and services
2. In determining equivalent value, the University shall determine the pay rate and a composite benefits rate. The pay rate shall be step one of the entry-level classification performing comparable work. The University will use the location composite benefit rate (including retirement, social security, and medical, dental, vision, life, and disability insurance).
3. The University shall terminate its agreement with a contractor that fails to comply with the provisions in this Section B, or that fails to remedy its noncompliance within a reasonable timeframe, and shall make every effort to make sure that all affected workers are made whole by the contractor.

C. GENERAL PROHIBITION ON CONTRACTING OUT

The following provisions set forth the only circumstances in which services customarily performed by bargaining unit employees may be contracted out. Contracting out should be used sparingly and treated as an option of last resort to address temporary needs, not as a means to replace employees with contractors.

1. The services are needed to address an actual emergency. An emergency may include, but is not limited to, the need to prevent the stoppage of University operations or to ensure continuous operations at the University medical centers.
2. The employees capable of providing the required services are not available at the University location in sufficient quantity or do not possess the necessary level of expertise, or the services cannot be performed satisfactorily by University employees, or the services are of a specialized or technical nature and the expertise, knowledge, ability and/or equipment required is not available internally. This provision shall be interpreted narrowly and shall not be relied upon to avoid reasonable efforts to hire and train sufficient numbers of University employees.
3. The services are incidental to a contract for the purchase or lease of real or personal property. This includes services that are to be provided on property that the University has leased to or from a third party or through public private partnerships. This does not include arrangements where the University maintains operational control.
4. The services are of such an urgent, temporary, or occasional nature that the delay resulting from their performance by University employees hired under the University's regular or ordinary hiring process, or the inefficiencies or difficulties in utilizing University employees, would frustrate the University's goals giving rise to the need for the services. This provision shall be interpreted narrowly and shall not be relied upon to justify the ongoing use of temporary workers.
5. The contractor will provide equipment, materials, facilities, or support services that could not be provided feasibly in the location where the services are to be performed. Services at remote facilities, which are those not within a 10-mile radius of a University campus, medical center, or Laboratory, may fall within this exception.
6. The services are performed by registry personnel in its clinical operations to address short-term staffing needs, including circumstances where the University's reasonable recruitment efforts to hire are unable to satisfy ongoing staffing needs.

D. NOTICE PROVISIONS

1. The University shall provide notice to AFSCME 3299 prior to entering into, extending or renewing a contract that includes Covered Services valued at over \$100,000. Such notice shall specify the duration, scope of work, the wage/benefit parity information required in Section B. 2. for the work that will be performed, dollar value, and work location(s), if known.

In an effort to supply the union with adequate information to evaluate a proposed contract:

- a. Where a Request for Proposal will be issued, the University will provide a copy of the RFP at the time of issuance.
 - b. Where no RFP will be issued, the University will provide relevant non-privileged information that is reasonably available pertaining to the contract at least thirty (30) calendar days prior to entering into, extending or renewing the contract.
 - c. A copy of each notice required under this section shall be provided to both the local AFSCME office and to the AFSCME 3299 Executive Director.
2. The Notice shall set forth the provision in Section C. of this Article that the University is relying upon as a justification for its contracting decision.
 3. Following receipt of the Notice, AFSCME 3299 shall have no more than fourteen (14) calendar days from the date of the Notice to request a meeting to provide alternatives to mitigate or avoid the need for the contract while satisfying the University's needs to provide the services at issue, or present such alternatives in writing.
 4. The University shall consider any alternatives proposed by AFSCME within the fourteen (14) calendar day period and adopt them where feasible.
 5. If the University has complied with the Notice provisions of Section 3 above and AFSCME does not request to meet or submit a written request in response to a Notice, as outlined in 3 above, or file an Article 5.C. grievance, the University may proceed with the contract.
 6. The University will hold the meeting if requested, and/or respond to any written request from AFSCME within forty-five (45) days of receiving written request from AFSCME for items located in Section 3. The University shall release AFSCME employees in a without-loss-of-straight-time-pay status for the meeting in accordance with Article 15 - Labor/Management Relations. If AFSCME disagrees with the University's position, it may file an Article 5.C. grievance pursuant to Section H. below.
 7. The University at the Systemwide level shall produce an annual report of all contracts for covered services, regardless of amount or duration, and shall provide the report to AFSCME no later than February 15th of each year.
 - a. The Report shall include information for each contract pertaining to compliance with Section B.
 - b. The JLMC on Workforce Inclusion shall agree on information to be contained in the report beyond the information enumerated in Section D.1. above.

E. INSOURCING OF WORK

No later than February 15, 2020, the University shall identify covered services that have been provided on a continuous basis for 12 months or more through service contracts and shall, to the fullest extent possible, in-source that work to be provided by University employees. When the University brings Covered

Services functions in-house, consistent with Regent Policy 5402, it shall follow the process below:

1. The University shall provide written notice to AFSCME 3299 which shall include the covered services, work location(s), estimated number of bargaining unit FTE, title(s), and the anticipated implementation date.
2. Workers who have worked for the contractor performing work at a University location for 1000 hours over a rolling twelve (12) month period or 35% time over a rolling thirty-six (36) month period, shall be offered UC career employment at the same location or at a location within ten miles of the campus/medical center/lab where they performed the work under the contractor.
3. The University shall use a streamlined version of its standard hiring practices to ensure barriers to UC employment are not imposed. Provided workers meet these requirements, including satisfactory UC background checks, there shall be no other basis for disqualifying workers to transition to UC employment. If a worker is disqualified for the initial position, they may be considered for another position at the same location.
4. A worker, who qualifies in paragraph two above, shall receive three (3) months credit toward satisfaction of the standard probationary period if they are hired into a position performing the same duties they have performed as a contract worker. The University may only extend an employee's probationary period by mutual agreement.
5. No employment time with the outside contractor will be credited to UC service.

F. UC EMPLOYMENT CONVERSION PROCESS FOR QUALIFIED INDIVIDUALS

1. The University will exercise its best efforts to determine employees who meet the criteria to become qualified individuals. At any time, an employee who believes they meet the requirements to become a qualified individual as defined below may request that they be converted to a UC employee.
2. When an individual worker who works for an outside contractor performing the same services at the same UC location works for 1000 hours in a rolling twelve (12) month period, or 35% time over a rolling thirty-six (36) month period, the worker will be deemed a "qualified individual" (QI) for conversion to UC employment.
3. The QI must submit a written request (Appendix H.) to Human Resources contacts listed in said Appendix.
4. The University shall offer the QI a career UC position that the individual is qualified for, though it may not be in the same title and/or the same department as the contracted position the QI worked in. The UC career position shall be at the same location or within ten (10) miles of that location.
5. The QI shall be placed in a career UC position no later than one hundred twenty (120) days from the time the application was received.
6. The University shall use a streamlined version of its standard hiring practices to ensure barriers to UC employment are not imposed. Provided

the QI meets these requirements, including satisfactory UC background checks, there shall be no other basis for disqualifying the QI to transition to UC employment. If a QI is disqualified for the initial position, they may be considered for another position at the same location.

7. The QI shall receive three (3) months credit toward satisfaction of the standard probationary period if they are hired into a position performing the same duties they have performed as a contract worker for twelve (12) continuous months. The University may only extend an employee's probationary period by mutual agreement.
8. No employment time with the outside contractor shall be credited to UC service.

G. NO DISPLACEMENT OF UNIVERSITY EMPLOYEES

Contracts for Covered Services shall not displace University employees. "Displacement" means demotion, layoff or involuntary reduction in time due to entering into a contract for services.

H. SPECIAL ENFORCEMENT PROVISIONS REGARDING INAPPROPRIATE SERVICE CONTRACTS

1. These special enforcement provisions shall apply to an Article 5.C. grievance filed by AFSCME that an RFP or a pending contract does not comply with the provisions of Section C. above.
2. Such an Article 5. C. grievance shall be filed directly with the Executive Director-Labor Relations at the Office of the President no later than 14 calendar days after AFSCME has received the RFP or, where no RFP will issue, notice of a pending contract, or within 14 calendar days of the meeting provided for in Section D.6 above.
3. The Office of the President shall issue a written response to an Article 5.C. grievance within ten (10) calendar days of receipt.
4. If the Office of the President denies the Article 5. C. grievance and AFSCME wishes to file an appeal to arbitration, it shall file such a written appeal to arbitration no later than ten (10) calendar days after receipt of the University's response to the Executive Director-Labor Relations at the Office of the President.
5. The arbitration involving such an Article 5.C. grievance shall be conducted on an expedited basis in accordance with the provisions set forth below.
6. The parties agree to select the arbitrator from a mutually agreed-upon list of five (5) arbitrators who have indicated a willingness to hear such cases on an expedited basis (where possible, within thirty (30) calendar days of selection).
7. The arbitrator shall determine whether Article 5. C. has been/would be violated.
 - a. If the arbitrator concurs with the University's determination, an existing contract for services shall remain in place or if the Article 5.C. grievance was filed prior to the formation of a contract, the University may proceed with the contracting process.
 - b. If the arbitrator determines that the contract is inappropriate the contract shall be terminated. If the grievance was filed prior to the

formation of a contract, the University shall not proceed with the contracting process.

8. The arbitrator's decision shall not include any type of monetary award, or provisions for fees.
9. The arbitrator's decision must be in writing and submitted simultaneously to both parties within thirty (30) calendar days of the completion of the hearing. The arbitrator's decision shall be final and binding upon all parties.

ARTICLE 6 CURTAILMENT

A. CURTAILMENT PERIOD

1. Consistent with the University's management rights, including its right to determine the orderly, effective and efficient operation of the University, the University may elect at one or more of its locations including the Laboratory, to curtail or shut down some or all of its activities, on a location by location basis, for periods of specific duration. By way of example and not limitation, such periods may represent opportunities for energy/cost savings and/or adjustments to reduce levels of work activity due to transition periods in the academic calendar and/or "seasonal" or "holiday" influences on scheduled work activities and/or the occurrence at or on University facilities of major public events and/or the occurrence of emergency or "forces of nature" situations adversely affecting normal University operations.
2. In the event of such total or partial closure or curtailment of operations, whether or not the University is able to anticipate such event, employees affected shall select one or a combination of the following options to cover their status during such period of time:
 - a. Employees may use accumulated vacation leave during the period. Newly employed unit members would be allowed to use accrued vacation even if the required six continuous months or quadri-weekly cycles on pay status have not been completed. Employees without sufficient accumulated vacation would be allowed to use up to three days vacation leave prior to actual accrual.
 - b. Employees with accrued compensatory time may elect to use it to cover the scheduled time off or to offset the use of vacation time.
 - c. Employees who do not wish to use vacation or compensatory time off may elect to take a leave without pay during the closure. Notwithstanding the provisions of Article 40, Vacation, Section A.2.. and Article 35, Sick Leave, Section A. 1., if an employee is in leave-without-pay status due to a location closure which is three consecutive days or less in duration, such a full-time or part-time employee shall not lose hourly vacation or hourly sick leave accruals.
 - d. Employees who do not select from a., b. or c. above or who do not qualify for a., b. or c. above shall, for the period of time necessary, be placed in a leave-without-pay status. The hourly accrual provisions in A.2.c. above related to location closure(s) shall also apply to employees who are placed in leave-without-pay status.

B. Lawrence Berkeley Laboratory

Policies, procedures, definitions and qualifications relative to sick leave credit and vacation credit by employees shall remain in effect for employees at the Laboratory and shall supersede all provisions above where in conflict.

A. GENERAL CONDITIONS

- 1. The University shall have the authority to discharge or to take other appropriate disciplinary action against a non-probationary career employee for just cause. For purposes of illustration but not limitation, such actions may be taken for misconduct or failure to perform satisfactorily.
- 2. Such non-probationary career employee who alleges that such action is not based on just cause may appeal such action pursuant to the provisions of Article 9 - Grievance Procedure.

B. TYPE OF DISCIPLINE

The University may discipline an employee by oral reprimand, written warning, and suspension without pay for up to five (5) working days without prior notice, suspension without pay beyond five (5) working days with notice, disciplinary demotion, or salary decrease. An oral reprimand is not subject to Article 9 - Grievance Procedure of this Agreement.

C. INVESTIGATORY LEAVE

The University may place an employee on investigatory leave without prior notice in order to review or investigate allegations of conduct which, in the University's view, would warrant relieving the employee immediately from all work duties. If upon conclusion of the investigation neither suspension without pay nor dismissal is determined to be appropriate, the employee shall be paid for the leave. If suspension without pay or dismissal is determined to be appropriate, up to fifteen (15) work days of the investigatory leave period may be without pay, provided the notice provisions and the employee response provisions in sections D. and E. below have been followed.

After review of the employee's timely response, if any, the University shall notify the employee of any action to be taken. Such action may not include discipline more severe than that described in the notice of intent; however, the University may reduce such discipline without the issuance of a further notice of intent. The terms and conditions of this Agreement shall be in full force effective one minute past midnight on January 31, 2020 and terminating at 11:59 p.m. no earlier than October 31, 2024 unless the University and AFSCME mutually agree in writing to extend any or all of the terms and conditions of this Agreement.

- C. Neither party shall have an obligation or requirement to negotiate on any provision of any Article not timely designated.
- D. During the period of negotiations on Articles properly designated for amendment the terms and conditions of the Agreement, including those Articles already designated for amendment, shall remain in full force and effect. In the event that neither party gives timely notice as set forth in this article, this Agreement shall remain in effect on a year-to-year basis. **ARTICLE 10
GRIEVANCE PROCEDURE**

A. DEFINITION

1. A grievance is a written complaint filed by an individual employee, a group of employees, or AFSCME that alleges the University has violated a specific provision of this Agreement.
2. Group grievances are defined as, and limited to, those grievances which cover more than one (1) employee, and which involve like circumstances and facts for the grievance involved. Grievances that are group grievances must be so designated on the grievance form at Step 1, and all employees covered by the grievance must be indicated on the grievance form. If an employee wishes to withdraw from a group grievance represented by AFSCME, the employee shall notify AFSCME. AFSCME shall in turn notify the University in writing if the employee is to be withdrawn, within five (5) days of the employee's notice to the AFSCME.
3. Alleged violations of a specific provision of this Agreement may be grieved by the Union and shall be so identified as a Union grievance on the

grievance form. Such Union grievances shall be signed by the AFSCME Higher Education Division (Local 3299) Director or his/her designee and shall contain all information as specified above for any other grievance.

4. Except as otherwise provided in this Agreement, an individual employee, a group of employees, the University, and AFSCME shall have the right to use the Grievance Procedure. AFSCME shall have the right to present grievances on behalf of an individual employee, on behalf of a group of employees or on behalf of itself as a Union grievance. The Union is responsible for informing an employee (including an employee named in a group grievance) that it is bringing a grievance on the employee's behalf.
5. No employee shall be subject to reprisal for using or participating in the Grievance Procedure.

B. GRIEVANTS WHO HAVE RESIGNED

1. Grievants who voluntarily resign or retire their employment with the University shall have their pending grievances immediately withdrawn and will not benefit by any subsequent settlement or disposition of any individual, union, or group grievance.
2. However, if the group or union grievances is related to the implementation of a compensation provision negotiated in a UC/AFSCME Agreement, the grievance may be continued if it has moved to Step 2 before the date of the employees' resignation or retirement. The foregoing provision shall not apply to LBNL.

C. CONSOLIDATION OF GRIEVANCES

Grievances of two (2) or more employees, as well as multiple grievances by or related to the same employee or which relate to the same incident, issue or course of conduct, may be consolidated for purposes of the Grievance Procedure by mutual agreement of the University and the Union.

D. GRIEVANCE FILING AND TIME LIMITS

1. Only one (1) subject matter shall be covered in any one (1) grievance. A grievance shall contain a clear and concise statement of the grievance by indicating the issue involved, the relief sought, the date the incident or violation took place, and the specific Section or Sections of the Agreement involved. The grievance shall be presented to the designated campus/Laboratory grievance official on a form agreeable to the parties. The grievance form shall be furnished to the employee by the Union and the form must be signed and dated by the grievant(s) and /or the grievant's representative.
2. All grievances (individual, group, Union) must be presented promptly, in writing and in compliance with D.1, above, but no later than thirty (30) calendar days from the date the grievant or the Union first became aware of, or should have become aware of with the exercise of reasonable diligence, the alleged violation of the Agreement. Grievances not presented within this thirty (30) calendar day period shall be considered untimely and ineligible for processing through the Grievance Procedure.
3. Grievances not appealed within the designated time limits in any step of the Grievance Procedure will be considered resolved on the basis of the last preceding University answer. Grievances not answered by the University within the designated time limits of any step of the Grievance Procedure may be appealed to the next step of the Grievance Procedure by giving written notice of the appeal within fifteen (15) calendar days of

the expiration of the designated time limits to the campus official responsible for the next step of the Grievance Procedure.

4. The parties may agree in writing to extend the time limits in any step of the Grievance Procedure. Such written extension must be accomplished in advance of the expiration of the time limits being waived. Deadlines which fall on a day which is not a campus business day will automatically be extended to the next business day.
5. Proper Filings
 - a. U.S. Mail – the date of filing shall be the U.S. Postal Service postmark.
 - b. Hand Delivery – the date of filing shall be the date of hand delivery.

6. Within fifteen (15) days of ratification, the University shall provide AFSCME with a designated email address for each campus, medical center and Laboratory for the purpose of transmitting grievance initiation and appeals.

E. INFORMAL REVIEW AND RESOLUTION

Before commencing the formal grievance procedure, an individual employee, or group of employees, with or without their representative, may first attempt to resolve the alleged grievance informally. When an employee or representative requests such a meeting, an Informal Review meeting may be held with the immediate supervisor within 15 calendar days of the request. Informal resolution of grievances at the lowest possible level is an objective shared by the University and AFSCME. Informal attempts of settlement to resolve the grievance shall not extend time limits including the initial 30-day filing deadline.

F. EMPLOYEE REPRESENTATION RIGHTS

1. An employee or group of employees shall have the right to be represented at all steps of the Grievance Procedure by one (1) person of the employee's or group of employees' choice. The chosen representative may be:
 - a. the grievant;
 - b. one (1) member of the group in a group grievance;
 - c. a Union representative;
 - d. or any other person of the grievant's choosing.

In any event, representation is to be provided by one (1) person.

2. A University employee who has been designated as managerial, supervisory or confidential by the University shall not represent any employee or group of employees at any step of the Grievance Procedure or in any activity or role provided for in the Grievance Procedure.
3. Provided it does not interfere with operational needs, and with prior approval from his/her supervisor, one (1) additional Union representative may attend such grievance meetings on non paid release time. Should an

additional employee representative attend a grievance meeting, it is expressly understood there shall be only one Union spokesperson.

4. An employee or group of employees may choose a representative other than an AFSCME representative for purposes of grievance representation and adjustment. The adjustment/resolution of grievances presented absent AFSCME representation shall be consistent with the terms of this agreement. Within five (5) calendar days of the University's grievance decision, the University shall provide a copy of the decision to AFSCME.
5. In the event the University is involved in the settlement of a grievance from an employee or group of employees who are represented by themselves or by a representative other than an AFSCME representative:
 - a. The University shall provide AFSCME with a copy of the grievance and the proposed settlement, if any, thereto indicating the employee or employees have chosen a representative other than AFSCME. Proof of Service shall accompany such notification.
 - b. AFSCME shall have ten (10) calendar days from the date of issuance of such copy within which to comment in writing on the proposed settlement.
 - c. The employer shall not implement the proposed settlement of the grievance until timely receipt and review of AFSCME's written comments, if any.

G. RELEASE TIME AND PAY STATUS FOR GRIEVANTS, EMPLOYEE REPRESENTATIVES AND/OR WITNESSES IN GRIEVANCES

1. Grievance Representatives
 - a. Grievance representatives certified by AFSCME shall have authority to act on behalf of AFSCME in all matters related to grievance representation. Any actions taken by or agreements reached between such grievance representatives and the University shall be binding upon employees represented by AFSCME.
 - b. Time in a without-loss-of-straight-time pay status for grievance representatives shall be as specified in Section F. 3. of Article 10 - Grievance Procedure. In no event shall the grievance representative receive payment for time spent in performance of his/her representation duties during any shift other than that representative's regularly scheduled shift. If a certified alternate grievance representative performs the representation duties of the certified grievance representative during the regularly-scheduled shift of the latter, any and all hours spent pursuant to Section F. 3. of Article 10 - Grievance Procedure shall be charged to the certified grievance representative.
2. University-Convened Meetings
 - a. If the University convenes a meeting involving the parties to a grievance for the purposes of resolving the grievance and/or completing the steps of the Grievance Procedure, the grievant(s), witness(es), if any, and AFSCME-designated employee representative(s) eligible to attend such meeting pursuant to this and Article 1 – Access and Union Rights §B shall be in without-loss-of-straight-time-pay status during the meeting, provided:

- 1) Such meeting occurs during the regularly scheduled hours of work of the grievant(s), AFSCME-designated employee representative, and/or witness(es); and
 - 2) Advance request is made and approval is received from the supervisor of the grievant(s), the witness(es), and/or the AFSCME-designated employee representative. Approval to attend shall be made on an operational needs basis and shall not be unreasonably denied.
 - 3) A grievant or the representative may request the availability of bargaining unit employee witnesses for University-convened grievance meetings. The availability of bargaining unit employee witnesses shall be determined by their immediate supervisor(s) on the basis of operational needs, and such requests shall not be denied unreasonably. Witnesses shall be in a without-loss-of-straight-time-pay status only for time spent at the campus/medical center/Laboratory meetings as a witness and reasonable travel time spent at the witness' respective campus/medical center/laboratory location. In instances where the witness' testimony is valuable and relevant to a grievant's case, paid release time for travel and testimony will not be unreasonably denied. Grievants and AFSCME agree that every effort shall be made to provide witnesses that pertain solely to the subject matter and to avoid the presentation of repetitive witnesses and that the absence of any or all witnesses shall not require the meeting to be recessed or postponed.
- b. The University is not responsible for any travel or lodging expenses or any other expenses incurred by the representative, grievant or union witnesses.
 - c. Paid release time for AFSCME designated employee representatives for purposes other than University convened meetings shall be provided in accordance with Article 1, Access.
3. Paid Release Time
 - a. The total cumulative use of paid release time for the AFSCME designated employee representative shall be limited to 10 hours in any one month. University convened meetings pursuant to Article 10, -- Grievance Procedure, shall not be deducted from this block of time.
 - b. The use of the maximum of 10 hours shall be for grievance-related activity such as:
 - 1) The initial hand-delivered filing of a grievance and the retrieval of University documents provided pursuant to a written request for information related to a grievance;
 - 2) One-on-one meetings with a grievant concerning a filed grievance, or an alleged violation of this Agreement which is at the Informal Review stage of Article 10, -- Grievance Procedure;
 - 3) Meetings with the University representative to whom written grievances are presented or to whom documents related to filed grievances are presented/signed or with whom time limit agreements are achieved;

- 4) Informal Review meetings held pursuant to Section E. of Article 10, -- Grievance Procedure.
- c. A request for release time will be made to the AFSCME designated employee representative's supervisor prior to the activity. Such approval shall be granted solely on the basis of operational need and shall not be denied unreasonably.
- d. At its sole discretion, the University may authorize use of release time for more than 10 hours in a month per department. The exercise of this discretion and/or the enforcement by the University of the 10-hour maximum shall under no circumstances establish a precedent for the AFSCME designated employee representative or department involved nor shall the allowance of greater than 10 hours in a month for a AFSCME designated employee representative have any effect or bearing on the ability of the University to enforce the 10-hour maximum on any other AFSCME designated employee representative.
- e. Should a question of possible abuse of these release time provisions arise, the University will so notify AFSCME, and the parties will attempt to resolve the matter. If a question remains, the University may take corrective action when warranted.

H. EXCLUSION OF NON-CAREER EMPLOYEES AND PROBATIONARY EMPLOYEES

1. The retention or release of non-career employees and probationary employees shall not be subject to Article 10 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement except as provided for in Article 30 – Positions/Appointments, §B. 2., §B.6.a.1) and 2), §B.6.b., and §D.8. The retention or release of non-career employees and probationary employees is at the sole discretion of the University.
2. When an action is taken by the University with respect to a limited employee which effectively terminates the limited employee during the term of his/her limited appointment and there are unique or unusual circumstances involved, the designated campus official, upon the specific request of the AFSCME Higher Education Division (Local 3299) Director, will discuss the action taken. The parties understand that such requests for discussion will occur on a very limited basis and will not be made with respect to actions including but not limited to those resulting from the expiration of appointment, programs or grant funds, or the decision not to continue, rehire or extend the employment of a casual employee. The parties further understand that the opportunity for such discussion in very limited circumstances does not in any way confer upon a limited employee any property or process right and does not in any way obligate or commit a designated campus official to any specific course of action or procedure.

I. GRIEVANCE STEPS

1. Step 1
 - a. Employee or Union Grievances:
 - 1) Within the time limits indicated elsewhere in this Article the employee or his/her representative, if any, shall provide the written grievance on the approved form to the designated campus grievance official. The time limits relative to the University's response to the grievance at Step 1 of the Grievance Procedure shall begin on the date the Step 1

grievance official receives the grievance. The University Step 1 grievance official shall acknowledge receipt of the grievance in writing. When a grievance form is hand delivered, acknowledgment can, on request of the Union, take the form of date stamping the form, signing it, making a copy and giving the copy to the grievant or the grievant's representative. Any grievance that is not received within the time limits established by this Article and/or which does not comply with the procedures and requirements of this Article shall be considered waived and withdrawn by the employee and/or the Union.

- 2) The immediate supervisor shall review the grievance and, at the supervisor's discretion, meet with the grievant and/or the grievant's representative, if any, to discuss the grievance. Within fifteen (15) calendar days after receipt of the grievance a written response will be issued to the employee and the employee's representative. If the University's written response is not issued within these time limits or if the grievance is not resolved at Step 1 of the Grievance Procedure, the grievance may be appealed to Step 2. Time limits for appealing a UC written answer, or the absence of a written response, are provided in §D. above.
- 3) Resolution of the grievance at Step 1, although final, shall not be precedent setting.

- a. The employee or the employee's representative shall submit the complete grievance form containing the basis for the written appeal to the designated campus official. The campus official to whom Step 2 appeals must be presented shall be a designee of the Chancellor of the campus.
- b. The designated campus official must receive the written appeal within fifteen (15) calendar days of the date on which the written response to Step 1 was given or due.
- c. Within fifteen (15) calendar days following receipt of the Step 2 appeal, the designated campus official shall schedule and convene a meeting with the employee and the employee's representative, if any, to attempt to resolve the grievance. During this Step 2 meeting, both parties shall discuss information and contentions relevant to the grievance.
- d. Within fifteen (15) calendar days following the Step 2 meeting, the designated campus official shall issue a written decision indicating the University's answer to the grievance. A copy of the decision shall be provided to the grievant and his or her representative, if any, and Proof of Service shall accompany the written decision. For grievances described in Section I.2.f., below, a copy of the decision shall also be provided to the AFSCME Higher Education Division (Local 3299) Director. - e. If requested by the grievant, a Union staff representative (non-University employee) may participate for purposes of representation in the Step 2 meeting.
- f. If a grievance which alleges that a dismissal was not for just cause (even when coupled with other allegations), or which alleges a violation of only Article 8, is not satisfactorily resolved at the Step 2 meeting, AFSCME may appeal directly to arbitration in accordance with Article 3 - Arbitration Procedure. If the University's Step 2 decision is not properly appealed to arbitration as provided in Article 3 - Arbitration Procedure, the grievance shall be considered settled on the basis of the Step 2 decision and shall not be eligible for further appeal. Only AFSCME shall have the right to submit a grievance to arbitration.

3. Step 3

- a. All grievances other than those described in I.2.f. above which are not satisfactorily resolved at Step 2 may be appealed to Step 3 by AFSCME or the employee. To consider a grievance at Step 3, written notice of appeal of the Step 2 University answer shall be served, with a Proof of Service (pursuant to Section O. of this Article), upon the Director of Labor Relations of the University by the AFSCME Higher Education Division (Local 3299) Director or his/her designee. Such notice must be received by the Director of Labor Relations of the University within fifteen (15) calendar days of the date the Step 2 answer was given or due. Such notice shall identify the grievance being appealed and be signed and dated by the AFSCME Higher Education Division (Local 3299) Director or his/her designee.
- b. An employee or group of employees using a representative other than AFSCME pursuant to Sections F.1., and F.2., of this Article may appeal a Step 2 University answer to the Executive Director of Labor Relations of the University. Such appeal must be served upon, with a Proof of Service (pursuant to Section O of this Article), and received by the Executive Director of Labor Relations within fifteen (15) calendar days of the date the Step 2 answer was given or due. Such appeal shall be in writing, identify the grievance being appealed and be signed and dated by the employee(s) and representative.
- c. The subject of the grievance as stated in Step 2 shall constitute the sole and entire subject matter of the appeal to Step 3.
- d. The University's written answer to a grievance appealed to Step 3 shall be issued by the Director of Labor Relations of the University or his/her designee within thirty (30) calendar days of the receipt of the appeal to Step 3. Proof of Service shall accompany the written decision. The written answer shall be served upon the employee's designated representative and a copy shall also be provided to the AFSCME Higher Education Division (Local 3299) Director. Time limits for appealing a UC written answer, or the absence of a written response, are provided in § D. above.
- e. The Director of Labor Relations of the University or his/her designee shall have authority to settle grievances appealed to Step 3. In the case of a grievance with AFSCME representation, the AFSCME Higher Education Division (Local 3299) Director or his/her designee shall have authority to settle or withdraw the grievance or appeal the grievance to arbitration.

- f. Settlements of grievances processed beyond Step 2 of the Grievance Procedure must be signed by the Director of Labor Relations of the University and the AFSCME Higher Education Division (Local 3299) Director or their designee(s).
- g. If the University's Step 3 decision is not properly appealed to arbitration as provided in Article 3 - Arbitration Procedure, the grievance shall be considered settled on the basis of the Step 3 decision and shall not be eligible for further appeal. Pursuant to the provisions of Article 3 – Arbitration Procedure, only AFSCME shall have the right to submit a grievance to arbitration.

J. MEDIATION

The parties agree to participate in mediation for the purpose of compromising, settling, or resolving a grievance. Grievances may be subject to mediation in accordance with the following:

- 1. The party requesting mediation shall request mediation upon the written appeal to Step 3, but prior to arbitration.
- 2. Grievances shall not proceed to mediation except by the mutual agreement of the location and the union.
- 3. The grievance shall be held in abeyance, tolling all time lines until the conclusion of the mediation process. At least fourteen (14) calendar days prior to taking the grievance out of abeyance, a written notice shall be provided to the other party by the Union or the Office of the President, Office of Labor Relations.
- 4. All costs of mediation shall be borne equally by both parties, provided that pursuant to Article 10. G.1 above, the grievant(s), witness(es), if any, and AFSCME-designated employee representative(s) eligible to attend such meeting pursuant to this Article and Article 1 shall be in without-loss-of straight-time-pay status during the mediation.
- 5. The recommendations of a mediator, if any, shall be advisory only and shall not be binding upon the parties. Neither party shall attempt to enter into evidence at a subsequent arbitration hearing any recommendation(s) of the mediator.
- 6. Any mediated settlement shall not be precedent setting.

K. EXTENSION OF TIME LIMITS

Each of the steps in the Grievance Procedure, as well as the time limits prescribed at each step of the Grievance Procedure, may be waived by mutual agreement of the parties. Such waiver must be in writing and must be signed by the representatives of the respective parties who are responsible for the Grievance Procedure at the step succeeding the step being waived. The parties at any step of the Grievance Procedure may, upon written agreement, remand the grievance to a previous step for resolution.

L. OFFERS OF SETTLEMENT

Settlement offers made at any stage of this procedure, including informal resolution, shall not be introduced as evidence in subsequent steps, and shall not be precedent setting.

M. RETROACTIVITY

Settlement of grievances may or may not be retroactive as the equities of a particular case may demand. Where it is determined that the settlement shall be applied retroactively, except for the correction of mathematical, calculation, recording or accounting errors relating to the payment of wages, the maximum period of retroactivity allowed shall not commence on a date earlier than thirty (30) calendar days prior to the initiation of the written grievance in Step 1. For grievances involving the correction of an error in the payment of wages or the correction of mathematical calculations, recording or accounting errors relating to the payment of wages (for example vacation leave, holidays, overtime, military leave or the amount of shift differentials, if any) shall not be made retroactive to a date earlier than two years prior to the initiation of the written grievance in Step 1 of the Grievance Procedure.

N. EXCLUSIVE PROCEDURE

The Grievance Procedure set out in this Article shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the application and interpretation of this Agreement. Unless otherwise indicated within this Agreement, any previous grievance procedure or other procedure in existence or adopted by the University shall not apply to employees covered by this Agreement for any purposes whatsoever.

P. GRIEVANCE FILE

Records involving the processing of an employee's grievance, such as the grievance form, step appeals/responses, and settlement documents, will be kept in a file separate from the employee's personnel file. It is not the intent of this section to exclude from the employee's personnel file final disciplinary action documents, including those that result from a settlement agreement. The University will keep grievance files confidential to the extent required by applicable law and will not disseminate their contents unless solicited for a legitimate University business purpose or obligated to provide for a pertinent regulation or law.

Q. REVIEW OF GRIEVANCES DENIED FOR PROCEDURAL DEFECTS

When the University denies a grievance due to procedural defects, including but not limited to timeliness, AFSCME may make a written appeal, with a Proof of Service (pursuant to Section O. of this Article), to the Office of the President Labor Relations within thirty (30) calendar days of the postmark notification to the grievant(s). This appeal is solely limited to a review of the procedural issue(s). If the Office of the President denies this appeal AFSCME may appeal the procedural denial of the grievance directly to arbitration per Article 3 – Arbitration Procedure, within thirty (30) calendar days of the issuance of the denial of the appeal.

The University will provide relevant and necessary information about health and safety issues at least forty-eight (48) hours before the meeting, provided the requested information can be reasonably gathered in time to provide it within two working days before the meeting. If the information cannot be provided by 48 hours before the meeting, the University will notify the union as soon as practicable. The meeting date may be postponed for a reasonable period. This information shall be made available to the health and safety committee and upon request to the employees. These sheets relative to chemicals and substances used at the work area of an employee shall be made available to the employee or AFSCME on request. Such information shall be maintained in the workplace by the University.

3. If, as a result of a grievance or arbitration decision or as the result of an agreement between the University and AFSCME, it is determined that an abnormally hazardous and dangerous assignment was made, the University shall attempt to correct such situation within a reasonable time and utilizing such funds as may be specifically budgeted for the particular efforts with either administrative or engineering controls. If, as a result of the filing of a grievance relative to the provision of information and training prior to the assumption of duties which include an imminent risk to life and health, the University and AFSCME agree as to the failure to provide such information and training, the University shall attempt to correct such situation within a reasonable time and utilizing such funds as may be specifically budgeted for the particular efforts.

E. COMPLIANCE

The University and AFSCME acknowledge that the University's ability to comply with the provisions of this Article is subject to the availability of specifically budgeted funds for the particular efforts which may be necessary in order for the University to meet its obligations under this Article and/or pursuant to any settlement, and/or award rendered pursuant to a grievance related to the

provisions of this Agreement and Article. The University and AFSCME agree that the availability of such specifically budgeted and available funds shall be a contingency upon which the University's compliance with a settlement, award and/or order of enforcement of such decision relative to a grievance related to this Article shall be dependent.

In such situations, with supervisory approval, missed rest breaks will be granted later in the work shift, provided the provisions of F.3. below are met.
3. Rest periods shall not be taken at the beginning or end of a work period or accumulated for use at a later time. The combining of rest periods with meal periods for some, any or all employees of a department shall be at the sole, non-grievable discretion of the department/division.

4. The University shall determine when clean-up time is necessary for employees. If the University determines that such clean-up time is necessary, a maximum of ten minutes of clean-up time prior to the employee's meal period and/or at the end of each shift shall be granted and considered as time worked.

 - d. An employee who works voluntary overtime, or who is offered voluntary overtime and declines it, will not have another turn in the rotation until the relevant list is exhausted and the rotation reaches her or him again.
 - e. When assigning overtime by inverse seniority, the supervisor will consider the special needs of employees who have documented medical problems or substantiated childcare problems or other

extraordinarily compelling circumstances. However, the University may, at its discretion, assign overtime work to employees irrespective of seniority who possess skills, knowledge, or abilities which are not possessed to the same degree by other employees in the department/division and which are necessary to perform the required work.

H. OVERTIME DEFINITION

Overtime is time on pay status which exceeds forty (40) hours in a work week. Overtime pay consists of overtime straight and overtime premium.

1. Overtime straight pay applies to hours on pay status including hours actually worked that, when combined with paid leave, exceed forty (40) hours in a work week
2. Overtime premium pay applies to hours actually worked that exceed forty (40) hours in a work week.

I. OVERTIME COMPENSATION

1. Overtime straight shall be compensated at the straight time rate of pay for hours actually worked that, when combined with paid leave, exceed 40 (40) hours in a work week.
2. Overtime premium shall be compensated at one and one-half (1 ½) times the regular rate of pay for hours actually worked that exceed 40 hours in a work week.
3. When an employee is employed at more than one rate of pay, for performing two or more different jobs during the workweek, overtime pay will be calculated based on a weighted average of the employee's rates of pay; i.e. the total regular pay from all jobs divided by the total hours worked.

J. PREMIUM PAY

1. Daily premium applies to hours actually worked that exceeds the hours of a regularly scheduled shift of eight (8) hours or more in a day.
2. Premium pay in this section will be calculated using the straight time rate.
3. Pay status includes time worked and paid leave such as sick leave, vacation leave, holidays, military leave, compensatory time off and administrative leave with pay
4. Hours that exceed forty (40) hours in a week do not count towards accumulation of sick leave, vacation, holiday or retirement system credit.

K. DOUBLE TIME

Any employee who works in excess of twelve (12) hours in any one workday shall be paid double (2x) the regular rate of pay for the hours over twelve (12) in a day.

L. COMPENSATORY TIME OFF

In accordance with the following paragraphs, overtime shall be compensated at the appropriate rate either by pay or compensatory time off, if the department offers compensatory time off.

1. Unless the employee and the University agree otherwise, overtime will be paid. An employee may, upon hire and thereafter during the month of June, file a written indication of preference for either compensatory time off or pay with her/his immediate supervisor. The University shall grant the preference indicated.
2. Overtime will be compensated at the appropriate rate by:
 - a. one hour of compensatory time off for each hour of overtime earned at the straight time rate of pay; and
 - b. one and one-half hours of compensatory time off for each hour of overtime earned at the time and one-half rate of pay.
3. No more than 240 hours of compensatory time off (160 hours of overtime which require compensation at the time and one-half rate) may be accumulated. An employee shall be paid for hours of overtime which exceed this limit.
4. Compensatory time off shall be scheduled by the University and taken within two six-month bank periods (January 1 - June 30; July 1 - December 31). Banked compensatory time off which is not paid or scheduled within the bank period in which it is earned or in the bank period following that in which it is earned shall be paid in the next regularly scheduled pay period at the employee's then current rate unless an extension has been granted by mutual consent of the employee and the University.
5. Upon separation from employment, employees shall be paid for all accumulated compensatory time at the employee's current rate of pay or at the employee's average rate of pay for the last three (3) years of employment, whichever is higher.
6. Compensatory time off is scheduled by the University. The University may require employees to take compensatory time off. Employees may also request use of compensatory time; such requests shall be granted subject to the operational needs of the University. Use of compensatory time off requires prior approval in accordance with departmental policy.

M. CALL-BACK

When an employee who is not in on-call/standby status is called back to work after completing a shift and leaving the premises, the employee shall be paid for the time actually worked upon return or a minimum of four hours, whichever is greater. Call-back time, whether worked or not, is considered time worked for the purpose of calculating hours of overtime.

N. ON-CALL/STANDBY

On-call/standby is time during which an employee is required to restrict activities and be available for return to work. An employee is not considered to be in on-call/standby status unless he or she has previously been informed by the University of the assignment. The University retains the right to determine the need for and the assignment of on-call time. Eligibility for on-call pay and the on-call rates shall be as listed in Appendix A. Time spent in unrestricted on-call status but not actually worked is not considered as time worked or time on pay status. Payment for on-call time shall be included as part of compensation when calculating the time and one-half overtime rate. An employee in on-call status or an employee who returns to work from on-call/standby status is not eligible for minimum call-back payments as provided in §L above.

O. TRAVEL TIME

Travel between an employee's home and the workplace is not considered time worked. Travel on University business during an employee's normal working hours (including travel during those hours on the employee's day off) is considered time worked. Travel outside normal working hours is considered time worked when it occurs on a scheduled day of work and is to or from a work location outside the normal commuting area of the assigned workplace. Travel time will be paid in accordance with the University Business and Finance Manual.

ARTICLE 16 LAYOFF AND REDUCTION IN TIME

A. GENERAL

The University, at its sole non-grievable discretion, shall determine when temporary or indefinite layoffs or reductions in time shall occur.

B. DEFINITIONS

1. A layoff is an involuntary separation of a non-probationary career employee from employment or an involuntary transfer to a casual position of a career employee. For the purposes of this Article, layoff shall include involuntary reductions in regularly scheduled hours of work. Layoffs may be temporary or indefinite.
 - a. A temporary layoff is a layoff in which the University specifies an affected employee's date for return to work of not more than one-hundred twenty (120) calendar days.
 - b. An indefinite layoff is a layoff for which the affected employee receives no date for return to work, or no date of restoration to her/his former appointment rate.
2. For the purposes of this Article, seniority shall be based on most recent date of hire into a staff career position at the University. Employment prior to break in service shall not be counted. Tiebreaker: when bargaining unit employees in the same layoff unit have the same date of hire, seniority shall be determined according to total hours on pay status since the most recent date of hire into a career position.
3. Within sixty (60) days of ratification, each University location will provide to AFSCME a current list of all layoff units. The University will provide a forty-five (45) day written notice to AFSCME if it proposes to change any of the layoff units and will meet with AFSCME upon request to discuss any such changes.

C. SELECTION FOR LAYOFF

1. If, in the judgment of the University, budgetary or operational considerations make it necessary to curtail operations, reorganize, reduce the hours of the workforce and/or reduce the workforce, staffing levels will be reduced in accordance with this Article.
2. The selection of classes for layoff shall be at the sole non-grievable discretion of the University.
3. Alternatives to layoff:

The University shall attempt to avoid an indefinite layoff, or to ease its impact, by implementing the following alternatives:

- a. Releasing per diem and limited employees within the same classification within the same layoff unit, if any.
 - b. Offering the affected bargaining unit employee another vacant career position at the same or lower classification and same or lower appointment percentage in the bargaining unit, if any, at the same campus/medical center or Laboratory provided the affected employee is qualified to fill the vacancy.
 - c. Provided the University has determined the affected bargaining unit employee could learn the requisite skills required to be qualified in subsection b. above within three (3) months, the University shall consider offering such a position to the affected employee as an alternative to layoff.
4. Order of layoff:
- a. With regard to indefinite layoff only, the order of indefinite layoff of employees in the same class within a department/division shall be in inverse order of seniority. However, the University may retain, at its discretion, employees irrespective of seniority 1) where the position(s) occupied by the less senior employee(s) requires qualifying skills, knowledge, or abilities which are not possessed by other employees in the same class; 2) which cannot be learned on the job in six (6) months or less without negatively impacting patient care; and 3) which are necessary to perform the ongoing functions of the department/division. To the extent permitted by law, the University may also consider workforce diversity when making layoff decisions and implementing layoff actions.
 - b. If an employee with less seniority is to be retained, the University shall notify AFSCME in writing of the special skills, knowledge or abilities that support the retention of the less senior employee. The decision to make such exceptions shall not be subject to Article 10 – Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement, unless the inverse seniority or qualifying skills provision of this Article are alleged to have been misapplied.
5. Regardless of seniority, the department may elect to invite all service unit employees in the same class within a layoff unit to volunteer for layoff. In that case, the union shall be notified of the invitation at the same time the invitation is transmitted to employees.
6. In the event the employees in a unit of layoff are equally affected by reduction in time of ten percent (10%) or less, seniority provisions do not apply.

D. NOTICE

1. When the University determines that a layoff is imminent within the unit, it shall give AFSCME such advance notice as is reasonable under the circumstances. The notice shall describe the general areas which may be affected.
2. When the University selects particular members of the unit for layoff, it shall give individual notice to each employee of the effective date of the layoff and whether the layoff is temporary or indefinite. Advance notice will be provided as follows:

- a. For temporary layoff expected to last 120 calendar days or less, the University shall give, if feasible, 15 calendar days notice of the expected beginning and ending dates of the layoff.
 - b. For indefinite layoff, the University shall give 30 calendar days notice, if feasible. If less than 30 calendar days notice is given, the employee shall receive straight time pay in lieu of notice for each additional day the employee would have been on pay status to a maximum of 30 calendar days. Upon receipt of written notice of layoff, an employee may schedule an appointment with the designated campus or Laboratory representative who will inform the employee regarding benefit continuation and procedures for recall and preferential rehire.
 - c. In the event of an anticipated indefinite layoff of five or more full-time-equivalent (FTE) employees on the same effective date in the same layoff unit, the University will, to the extent possible, give 45 calendar days notice to AFSCME. When such notice is provided regarding the layoff of five or more FTE, the campus/medical center/Laboratory will, upon receipt of a timely written request from AFSCME, meet with AFSCME to discuss the layoff. AFSCME shall provide in writing the effects not already identified in this article it wishes to discuss. Such meeting to discuss the layoff of career employees will include, if asked, an indication of the reason for retaining any limited and per diem employees.
 - d. For conversion from temporary layoff to indefinite layoff, the University shall give 30 calendar days notice, if feasible.
3. The University shall notify AFSCME within a reasonable time after it notifies employees that they are to be laid off. To the extent possible, such notice will be concurrent.

E. RECALL

1. A non-probationary career employee who is indefinitely laid off shall be recalled in order of seniority to an active, vacant career position, provided:
 - a. the active, vacant career position is in the same bargaining unit and same department/division as the position from which the employee was laid off; and
 - b. the active, vacant career position is in the same class at the same or lesser percentage of time as the position from which the employee was laid off; or
 - c. the active, vacant career position is in a lower class at the same or lesser percentage of time than the position from which the employee was laid off, provided the employee previously held a career position in such lower class in the same department/division and bargaining unit.
2. In order to be recalled to such active, vacant career position, the employee must, as determined at the sole, non-grievable discretion of the University, be qualified to perform the duties of the active, vacant career position.
3. Employees who are eligible for recall shall retain recall eligibility for three years from the effective date of layoff. An employee may exercise his/her

rights to recall immediately after the employee receives written notification of layoff.

4. Employees recalled from layoff status to a new position who fail to perform satisfactorily may, at any time during the six months following such return, be returned to layoff status with restoration of full recall rights. Previous time on layoff status prior to recall shall be deducted from an employee's period of eligibility.
5. An employee who accepts a limited or per diem appointment or position in a lower class or at a lesser percentage of time shall remain eligible for recall rights during the period of recall.
6. Recall Termination

The right to recall terminates at the end of the period of eligibility described in Section E.3. above, or if an employee:

- a. fails or refuses within ten calendar days to respond affirmatively to University inquiries concerning the employee's desire to return to work. The ten-calendar-day response period shall begin immediately upon personal notice or from the date written notice is served (as indicated in the Proof of Service), whichever is sooner; or
- b. refuses a recall to work; or
- c. refuses two offers of reemployment in career positions at the same or greater percentage of time and at the same or higher salary level; or
- d. accepts a career position at the same or higher salary level within the University; or
- e. accepts recall in any previously-held career position at a lower salary level.

F. PREFERENTIAL REHIRE

1. A non-probationary career employee who is indefinitely laid off shall have preferential rehire status for an active, vacant career position, provided:
 - a. the active, vacant career position is in the same bargaining unit and at the same campus/Laboratory as the position from which the employee was laid off; and
 - b. the active, vacant career position is in a class with the same or lower salary range maximum as the class from which the employee was laid off; and
 - c. the active, vacant career position is at the same or lesser percentage of time as the position from which the employee was laid off.
2. The laid off non-probationary career employee will, along with any other laid off University employees, be given preferential consideration for an active, vacant career position which is being filled by the campus/medical center/Laboratory, provided the conditions in Section F.1.a.-c. above are met. First consideration for preferential rehire shall be given to employees who are on layoff status (not currently employed by the University) and who were laid off from the same department where the vacant position exists. In order to be placed in such a position, the employee must, as

determined at the sole, non-grievable discretion of the University, be fully qualified to perform the duties of the position.

3. The operation of preferential rehire consideration shall be consistent with the procedures established at the individual campus/medical center/Laboratory and shall be consistent with the University's management right to fill a position with the best available candidate for a vacant position.
4. Employees who are eligible for preferential rehire status with less than five years of seniority at the time the layoff occurs shall retain preferential rehire status eligibility for one year from effective the date of layoff. Employees who are eligible for preferential rehire status with five years, but less than ten years, seniority at the time the layoff occurs shall retain preferential rehire status eligibility for two years from the effective date of layoff. Employees who are eligible for preferential rehire status with ten years or more of seniority shall retain preferential rehire status eligibility for three years. An employee may exercise his/her rights to preferential rehire immediately after the employee receives written notification of layoff and meets with the campus, medical center or Laboratory representative designated in the layoff notice.
5. Employees preferentially rehired from layoff status who fail to perform satisfactorily may, at any time during the six months following such return, be returned to layoff status. In addition, an employee, at his/her option, may request to be returned to layoff status within 60 calendar days of rehire. Previous time on layoff status prior to rehire shall be deducted from an employee's period of eligibility.
6. Employees who accept per diem or limited appointments shall remain eligible for preferential rehire rights during the period of preferential rehire.
7. Preferential Rehire Termination

The preferential rehire consideration described above shall terminate at the end of the period of eligibility described in Section F.4. above, or if an employee:

- a. refuses an offer to return, at the same or greater percentage of time, to that department/division and class from which laid off; or
- b. accepts any career position; or
- c. refuses two offers of employment for a career position at the same or higher salary level and the same percentage of time as the position held by the employee at the time of layoff; or
- d. fails to respond to a written notice of a career employment opportunity within 10 calendar days. The 10 calendar day response period shall begin immediately upon personal notice of the career employment opportunity or from the date written notice is served (as indicated in the Proof of Service), whichever is sooner.

G. SEVERANCE

1. A career employee who has received a notice of indefinite layoff may elect in writing, severance pay in lieu of preferential rehire and recall rights within fourteen (14) calendar days of receipt of the notice of layoff. Election is irrevocable. The University shall, offer severance in lieu of preferential rehire and recall rights to all employees in the department who

receive notice of indefinite layoff. Severance pay shall be in accordance with the following.

- a. Payment - An employee who elects severance pay in lieu of preferential rehire and recall rights shall be paid a lump sum as follows:
 - 1) Employees with less than five (5) years of University service shall receive two (2) weeks severance pay.
 - 2) Employees with five (5) or more years of University service shall receive five (5) weeks severance pay, plus one (1) week for each additional year of service, up to a maximum of sixteen (16) weeks.
 - 3) Employees who are laid off following a reduction in time that occurred within sixty (60) calendar days of the layoff shall be eligible for severance, on the basis of their percentage of appointment just prior to their reduction in time.
 - 4) This section shall not apply to temporary layoff or reduction in time.
 - 5) Failure to make an election as provided in Section 1 will result in the employee receiving preferential rehire and recall rights and extinguish the right to severance pay.
- b. Repayment - An employee who has received severance pay under this provision and who returns to work in a career position with the University at the same or higher salary and same percentage of time as the position held at the time of layoff shall repay to the University the portion of severance pay received that exceeds the time the employee was laid off. Before returning to work, the employee must make repayment in full or sign a repayment agreement.

H. CONTINUITY OF SERVICE UPON REEMPLOYMENT

A temporary layoff does not create a break in service. Reemployment in a career position within the period of right to recall provides continuity of service and continuation of previously-accrued seniority. However, seniority and benefits accrue only when an employee is on pay status.

I. BENEFIT COVERAGE

Medical plan contributions by the University will be provided for a maximum of three months in a calendar year for employees on temporary layoff, for employees on temporary reduction in time, or on furlough as provided in Article 30 – Positions/Appointments, paragraph F. For medical plans to remain in force, employees on temporary layoff, temporary reduction in time or furlough must remit to the University the amount of the employee's contributions, if any.

J. REMEDY

In the event an alleged violation of this Article with regard to notice is grieved/arbitrated, any remedy, settlement or arbitrator's award or decision acknowledging improper notice shall be limited to an amount of back pay and/or reinstatement of benefits which would make the employee whole for the number of days the notice was deficient. In no case shall such amount be calculated for a period of greater than 30 calendar days.

ARTICLE 17 LEAVES OF ABSENCE

A. GENERAL PROVISIONS

In accordance with the provisions of this Article, leaves of absence, with or without pay, may be approved by the University. If applicable state or federal law requires that the University offer any leave in a manner that would be more generous to employees than is currently provided in this Article, the University will comply with the law.

1. Benefit Eligibility

- a. For purposes of benefit eligibility an, approved leave without pay shall not be considered a break in service. Except as provided in Section D - Family and Medical Leave (FML), an eligible employee on approved leave without pay may elect to continue University-sponsored benefit plans (as determined by plan documents and regulations) for the period of the leave by remitting, in accordance with the provisions of the applicable plan(s), the entire premium amount due for the period of approved leave. Regulations of the retirement systems determine the effects of leave without pay on retirement benefits.
- b. Employee benefit plan coverage during an approved FML leave of absence will be continued in accordance with the provisions of Section E - Pregnancy Disability and Section D - Family and Medical Leave (FML).

2. Except as provided in Section D.1.a.2, Family and Medical Leave (FML), periods on leave in a without-loss-of-straight-time pay status shall be considered time worked.

3. Requests for Leave

Except as provided in Section D Family and Medical Leave (FML), requests for leaves of absence and extensions thereof, both with and without pay, shall be submitted in writing to the University. Such requests shall be submitted sufficiently in advance of the requested leave date to provide the University time to assess the operational impact of granting the request. If the employee learns of the event giving rise to the need for leave more than 30 days in advance, the employee shall provide the University with notice as soon as the employee learns of the need for leave, and, at a minimum, with 30 days advance, written notice. If the employee learns of the event giving rise to the need for leave less than 30 days in advance, the employee shall provide the University with as much advance, written notice as possible, and, at a minimum, with such notice no more than five working days after learning of the event. All requests for leave shall contain the requested beginning date, end date, and estimated duration of the leave, and any additional information as required.

4. Duration

The duration, terms of the leave and the date of return are determined when the leave is granted, and shall be communicated to the employee, in accordance with the provisions of this Article. Except as provided under Section C - Medical Leaves of Absence and Section D - Family and Medical Leave (FML), written confirmation shall be provided when the University determines such confirmation is appropriate. Except as provided for elsewhere in this Article or to satisfy the University's obligation to reasonably accommodate a

disabled employee, the total aggregate of leaves of absence taken in any combination, granted under this Article, shall not exceed six (6) months, except as may otherwise be required by applicable law.

5. Return to Work

- a. Except as provided in Section C - Medical Leaves of Absence, Section D - Family and Medical Leave (FML), Section E – Pregnancy Disability Leave, and Section L. - Military Leave, an employee who has been granted an approved leave with or without pay shall be returned to the same or a similar position in the same department/division when the duration of the leave is six calendar months or less, or 12 months, if extended. If the position held has been abolished or affected by layoff during the leave, the employee shall be afforded the same considerations which would have been afforded had that employee actually been working rather than on leave when the position was abolished or affected by layoff. The date of return to work is determined when the leave is granted.
 - b. An employee who has exhausted his/her original leave entitlement and who has been granted additional leave under another section of this Article, shall be reinstated in accordance with the provisions of the section under which the additional leave was granted.
 - c. An employee shall not be granted a leave of absence beyond the ending date of the employee's appointment or predetermined date of separation.
6. An employee who fails to return to work from a leave of absence on the approved anticipated date of return or any approved extension shall be considered to have abandoned his/her job, in accordance with Article 34 - Resignation, if such failure to return exceeds five consecutive working days of the anticipated return date.

B. PERSONAL LEAVE

1. A non-probationary career employee may be granted a personal leave of absence without pay at the sole, non-grievable discretion of the University. Such leave shall not exceed six calendar months.
2. If an employee's request for a personal leave of absence without pay is denied, such denial may, upon the employee's written request, be reviewed by the Department/Division Head. The results of such a review shall not be subject to Article 10 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement.
3. The University at its sole non-grievable discretion may approve extension of a personal leave of absence without pay for a total leave of not normally more than 12 months.

C. MEDICAL LEAVES OF ABSENCE

A Medical Leave of Absence, granted under this section, is the period(s) an eligible employee is granted leave from work for medical reasons in accordance with Section C.1, - Eligibility for a Medical Leave of Absence, below. This leave includes the combined use of accrued sick leave and the medical leave of absence without pay in accordance with the provisions of this Article and Article 38 - Sick Leave. In the event that an employee's accumulated sick leave credit is exhausted, an employee may be placed on a Medical Leave of Absence without pay in accordance with the provisions of this section. Medical leaves of absence without pay are provided for leaves due to non-work related illnesses or injuries. For leaves due to work-related illnesses or injuries, see Article 46 – Work Incurred Injury or Illness.

1. Eligibility for a Medical Leave of Absence

- a. An employee may be eligible for a Medical Leave of Absence without pay when he/she:
 - 1) Is medically incapable of performing essential assigned functions of his/her job due to a non-work related illness or injury; and

 - 3) Has exhausted her four (4) month entitlement to leave under Section E - Pregnancy Disability Leave and is still disabled by pregnancy, childbirth, or related medical conditions; or
 - 4) Has either exhausted his/her 12 workweek entitlement to leave due to a serious health condition under Section D - Family and Medical Leave (FML) or is not eligible for leave due to the employee's serious health condition under Section D - Family and Medical Leave (FML).

2. Notification for a Medical Leave of Absence

Requests for medical leave shall be in writing as provided in Section A.3, and the employee shall furnish evidence of the medical need for leave that is satisfactory to the University as provided in Section C.3 - Documentation and Verification, below. Additionally, an employee must notify the University of the need to extend his/her medical absence from work prior to the employee's anticipated date of return.

3. Documentation and Verification for a Medical Leave of Absence

- a. Documentation of the employee's disability (or other medical need for leave) and/or ability to return to work is required and is subject to verification by the University. Such documentation shall include, but is not limited to, a statement from a health practitioner (as defined in Article 38 - Sick Leave, Section D.4.) regarding the anticipated duration of the employee's medical condition, and a statement that the employee is temporarily incapable of performing the essential assigned functions of his/her job, with or without reasonable accommodation.
- b. The University may have an employee claiming disability examined by a physician or physicians of its choosing. The University shall pay the reasonable costs of any such medical examination required by the University.
- c. An employee on a Medical Leave of Absence shall submit medical verification from his/her health care provider that he/she has been medically released to perform the essential assigned functions of his/her job, with or without reasonable accommodation, prior to his/her return.

4. Duration of a Medical Leave of Absence

Medical leaves of absence are granted for the period of verified disability (or other medical need for leave) and are not granted for non-medical purposes. When the use of accrued sick leave and a medical leave of absence without pay are combined, a medical leave of absence from work for non-work related

disability purposes may be granted by the University for a total period of verified disability not to exceed six months. If further leave is required, see Section C.5.

5. Extension of a Medical Leave of Absence

- a. In the event that an employee's verified non-work-related disability (or other medical need for leave) exceeds six months, a personal leave of absence may be granted in accordance with the provisions of Section B – Personal Leave of this Article. However, the aggregate of leave for medical reasons normally shall not exceed 12 consecutive months, except as may otherwise be allowed by applicable law. The granting of a personal leave of absence in order to extend an employee's total absence from work for medical purposes is at the sole discretion of the University and without recourse to Article 10 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement. An employee on such personal leave of absence shall submit medical verification that he/she has been medically released to perform the essential assigned functions of his/her job prior to his/her return in accordance with Section C.3.c of this Article.
- b. A request to extend a leave for medical reasons may not be granted when medical separation is appropriate.

6. Return to Work After a Medical Leave of Absence

An employee returning from an approved medical leave of absence shall be returned to the same or a similar position when the employee has been medically released to perform the essential assigned functions of his/her job. If the position held has been abolished or affected by layoff during the absence, the employee shall be afforded the same considerations which would have been afforded had that employee actually been working rather than on leave when the position was abolished or affected by layoff.

D. FAMILY AND MEDICAL LEAVE (FML)

An employee who is eligible for Family and Medical Leave (FML) and has not exhausted his or her FML entitlement for the leave year, as discussed below, may take FML for any of the following six reasons, as described in greater detail in this Section below: (a) due to the employee's own serious health condition, (b) to care for a family member with a serious health condition, (c) as Pregnancy Disability Leave, (d) as Parental Leave, (e) as Military Caregiver Leave, or (f) as Qualifying Exigency Leave.

1. General Provisions for FML

- a. Definitions for FML
 - 1) The leave year is the calendar year for all types of FML except Military Caregiver Leave. For Military Caregiver Leave, the leave year is the single 12-month leave period that begins on the first day of the leave.
 - 2) 1,250 Hours of Actual Service means time actually spent at work and does not include any paid time off, such as vacation, compensatory time, or sick leave, holidays not worked, or time spent in unrestricted on-call status. However, for employees granted military leave, all hours that would have been worked had the employee not been ordered to military duty shall be used to calculate the 1,250 actual hours of work requirement.

- 3) Child means a biological child, adopted child, foster child, stepchild, legal ward, or child for whom the employee stands in loco parentis, provided that the child is either under 18 years of age or incapable of self-care because of a mental or physical disability.
- 4) Parent means a biological parent, foster parent, adoptive parent, stepparent, legal guardian or individual who stood in loco parentis to the employee when the employee was a child. "Parent" does not include the employee's grandparents or mother-in-law or father-in-law unless they stood in loco parentis to the employee when the employee was a child.
- 5) Spouse means a partner in marriage and may be of the same or opposite sex.
- 6) A serious health condition means an illness, injury (Including, but not limited to, on-the-job injuries), impairment, physical or mental condition that involves either inpatient care or continuing treatment, including, but not limited to, treatment for substance abuse.
 - a) "Inpatient care" means a stay in a hospital, hospice, or residential health care facility, any subsequent treatment in connection with such inpatient care, or any period of incapacity. A person is considered an "inpatient" when a health care facility formally admits him or her to the facility with the expectation that he or she will remain at least overnight and occupy a bed, even if it later develops that such person can be discharged or transferred to another facility and does not actually remain overnight.
 - b) "Incapacity" means the inability to work, attend school, or perform other regular daily activities due to a serious health condition, its treatment, or the recovery that it requires.
 - c) "Continuing treatment" means ongoing medical treatment or supervision by a health care provider, as defined in section D.1.a.8, below.
- 7) A serious health condition of a family member is a serious health condition as defined in Section D.1.a.7, above, of the employee's child, parent, spouse, or same- or opposite-sex domestic partner that requires the participation of the employee to provide supervision or care (which includes psychological comfort) during the period of the family member's treatment or incapacity.
- 8) Health care provider means a doctor of medicine or osteopathy who is authorized to practice medicine or surgery (as appropriate) by the State in which the doctor practices; podiatrist, dentist, clinical psychologist, optometrist, chiropractor (limited to treatment of the spine to correct a subluxation as demonstrated in x-ray to exist), physician assistant, nurse practitioner, nurse-midwife or clinical social worker performing within the scope of their practice as defined under State law; Christian Science practitioner; or any health care provider that the employee's health plan carrier recognizes for purposes of payment.

b. Eligibility Criteria for FML

Employees who have at least 12 cumulative months of University service (all prior University service, including service with the Department of Energy Laboratories, shall be used to calculate the twelve-month service requirement), and have worked at least 1,250 hours of Actual Service during the 12-month period immediately preceding the commencement of the leave are eligible for and shall be granted up to a total of 12 workweeks of FML in the leave year, except when FML is being taken as Military Caregiver Leave or Pregnancy Disability Leave. If the employee is taking FML as Military Caregiver Leave, the employee shall be eligible for up to 26 workweeks of leave in a single 12-month leave period. If the employee is taking FML as Pregnancy Disability Leave, the employee shall be eligible for leave for the period of verified pregnancy-related disability up to four months of leave per pregnancy. FML includes paid and unpaid absences, including use of an employee's accrued sick leave, vacation, and leave of absence without pay. Aggregate time used for FML shall not exceed 12 workweeks in the leave year unless the employee is taking FML as Military Caregiver Leave or as Pregnancy Disability Leave. An employee on approved leave may elect to use accrued compensatory time off (in accordance with Article 13 - Hours of Work).

c. Time Periods for FML

- 1) For FML purposes only, 12 workweeks means 12 workweeks in the calendar year (or 26 workweeks in the single 12-month leave period if the employee is taking FML as Military Caregiver Leave) for full-time employees. For employees who work less than full time or who work full time but on alternative work schedules, the number of working days shall be adjusted on a pro-rata basis.
- 2) When supported by a complete and sufficient certification, the University shall grant FML for any of the six reasons identified in the first paragraph of Section D except Parental Leave on a reduced work schedule or on an intermittent basis including absences of less than one day. For Parental Leave, see Section D.5.d. Only the time actually spent on the intermittent or reduced schedule shall be counted towards the employee's entitlement of 12 workweeks in the leave year.
- 3) When the employee requests FML on an intermittent or reduced schedule basis due to the planned medical treatment of the employee or the employee's family member with a serious health condition, the University may, at its discretion, require the employee to transfer temporarily to an available alternate position for which the employee is qualified and which better accommodates recurring periods of leave than the employee's regular position. Such transfer shall be to a position that has equivalent pay and terms and conditions of employment, but does not need to have equivalent duties. Should the employee object to the temporary transfer, the employee may submit a written request for review to the Department/Division Head. Such temporary transfer shall not be subject to Article 10 - Grievance Procedure or Article 3 - Arbitration Procedure.

d. Notice for FML

- 1) If the employee learns of the event giving rise to the need for leave more than 30 days in advance, the employee shall

provide the University with notice as soon as the employee learns of the need for leave, and, at a minimum, 30 days prior to the commencement of the leave, if practicable.

- 2) If the need for leave is foreseeable due to the planned medical treatment of the employee or his/her family member, the employee shall make reasonable efforts to schedule the leave so as to avoid disruption to the University's operations.
- 3) If the need for leave is unforeseeable or actually occurs prior to the anticipated date of a foreseeable leave, the employee shall provide the University with as much advance notice as is practicable, and, at a minimum, with such notice within five working days after learning of the event.
- 4) An employee who fails to give 30 days' notice for a foreseeable leave with no reasonable basis for the delay may have his/her FML leave delayed until 30 days after the date on which the employee provides notice.
- 5) The University shall determine whether the employee is eligible and qualifies for FML and shall notify the employee, in writing, when the leave is designated or provisionally designated as FML. The duration and terms of the leave and the date of return are determined when the leave is granted. Extensions, if any, up to an aggregate of 12 workweeks in the leave year (or 26 workweeks in a single 12-month leave period if FML is being taken as Military Caregiver Leave or up to 4 months per pregnancy if FML is being taken as Pregnancy Disability Leave) may be granted in accordance with this Section.

e. Certification and Other Supporting Documentation for FML

- 1) For the Employee's Own Serious Health Condition
 - a) When leave is requested for the employee's own serious health condition, the University may, at its discretion, require that an employee's request for FML be supported by a written certification issued to the University by the employee's health care provider. Such request to the employee shall be in writing. The certification may be provided on a form given to the employee by the University and shall, regardless of the format, in addition to certifying that the employee has a serious health condition, include the following:
 - b) A statement as to whether the employee is unable to perform any one of the essential assigned functions of the position, and
 - c) The date, if known, on which the serious health condition commenced, the probable duration of the condition and the employee's probable date of return, and
 - d) Whether it will be medically necessary for the employee to take leave intermittently or to work on a reduced schedule, and if so, the probable duration of the need for such schedule, and,

- e) If the condition will result in periodic episodes of incapacity, an estimate of the duration and frequency of episodes of incapacity.

2) If Leave is Requested for the Employee's Family Member.

When a leave of absence is requested for the serious health condition of the employee's family member, the University shall require that an employee's request for leave be supported by written certification issued by the family member's health care provider. When certification is required by the University, such requirement shall be submitted to the employee in writing. Certification may be provided by the employee on a form given to the employee by the University and shall, regardless of the format, in addition to certifying that the employee's family member has a serious health condition, include:

- a) A statement that the serious health condition warrants the participation of the employee to provide supervision or care (which includes psychological comfort) during the period of the family member's treatment or incapacity, and
- b) Whether the employee's family member will need supervision or care over a continuous period of time, intermittently, or on a reduced schedule basis; the leave schedule the employee will need in order to provide that supervision or care; and the probable duration of that need for leave.
- c) In addition, the employee will be required to certify either on the same form or separately what care he/she will provide the family member and the estimated duration of the period of care.

3) The University may, at its sole, non-grievable discretion, require that an employee complete a Declaration of Relationship form to certify his/her relationship with the family member when the employee is requesting FML to care for a family member with a serious health condition or to certify his/her relationship with the child when the employee is requesting FML as Parental Leave. The employee's failure to provide a completed Declaration of Relationship form within fifteen (15) calendar days of the University's written request may, at the sole, non-grievable discretion of the University, result in discontinuance of the leave until the required documentation is provided or, if the leave has not yet begun, a delay in the start of the leave. If the employee fails to provide the completed Declaration of Relationship form within a reasonable period of time, FML may be denied.

4) Should the University have a good faith, objective reason to doubt the validity of the employee's medical certification for his/her own serious health condition, the University has the right to require the employee to obtain a second medical opinion from a second health care provider selected by the University. Should the second medical opinion differ from that of the employee's own health care provider, the University may require a third medical opinion from a third health care provider jointly approved by the University and the employee. The University shall bear the cost of the second and third opinions and the third opinion shall be final.

- 5) If additional leave is requested upon expiration of the leave granted, or should the circumstances of the leave change, the University may require the employee to obtain recertification. Such requests for subsequent certification shall be in writing.
- 6) If certification or recertification is required, the employee shall return the certification within 15 calendar days of the University's request, where practicable. Failure to provide certification for a foreseeable leave within the requested time may result in the denial of the leave until the required certification is received. Failure to provide certification for an unforeseeable leave within the requested time period may result in the denial of continuation of the leave until the required certification is provided. If the employee fails to provide a completed certification, the employee shall be given 15 calendar days to perfect the certification. Failure to perfect an incomplete certification may result in the denial of the leave or the denial of continuation of the leave. If the employee fails to provide a certification/recertification or a completed certification/recertification and the leave has not begun, the request for FML may be denied. If the leave has begun, the leave may, at the University's discretion, be discontinued; however, any leave taken is not FML leave.
- 7) If the employee was taking FML due to his or her own serious health condition, the employee must be medically released to perform the essential assigned functions of his/her job, with or without reasonable accommodation before returning. If the employee requests a reasonable accommodation, the University will follow Article 32 – Reasonable Accommodation. Failure to provide a medical release to return to work may result in the denial of reinstatement until after the employee submits the required medical release certification.

f. Use of Accrued Paid Leave During FML

FML is unpaid unless an employee uses accrued paid leave (sick leave, vacation leave, or compensatory time off) during FML as provided in this section:

- 1) An employee on an approved FML to care for a family member with a serious health condition, may elect to use accrued compensatory time off (in accordance with Article 13 – Hours of Work) or accrued vacation time before taking FML without pay. If the employee's vacation leave accrual is at maximum, the employee will be required to use at least 10% of the vacation leave credit prior to taking FML without pay. Up to thirty (30) days of accrued sick leave per year may be used during FML when FML is taken to care for a family member with a serious health condition under this section pursuant to Article 38 - Sick Leave, Section B.3.b.
- 2) An employee on an approved FML for Parental Leave may elect to use accrued compensatory time off (in accordance with Article 13 – Hours of Work) or accrued vacation time before taking FML without pay. If the employee's vacation leave accrual is at maximum, the employee will be required to use at least 10% of the vacation leave credit prior to taking FML without pay.

- 3) An employee on an approved FML for his/her own serious health condition shall use accrued sick leave in accordance with the University's disability plan or as provided under Article 46 - Work Incurred Injury or Illness, if applicable. Employees not eligible for University disability benefits and who are not on leave due to a work-incurred illness or injury shall use all accrued sick leave prior to taking FML without pay. An employee may also use accrued compensatory time off (in accordance with Article 13 – Hours of Work) or accrued vacation before taking FML without pay. However, if the employee's vacation leave accrual is at maximum, the employee will be required to use at least 10% of the vacation leave credit prior to taking FML without pay.
- 4) For an employee's use of accrued leave while on Pregnancy Disability Leave, see Section E.5.
- 5) For an employee's use of accrued paid leave while on Military Caregiver Leave, see Section D.6.e.
- 6) For an employee's use of accrued paid leave while on Qualifying Exigency Leave, see Section D.7.e.

g. Continuation of Health Benefits During FML

An employee on an approved FML shall be entitled, if eligible, to continue participation in health plan coverage (medical, dental, and optical) as follows:

- 1) When the employee is on FML that runs concurrently under the federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA): Continued coverage for up to twelve (12) workweeks in a calendar year.
- 2) When the employee is on a Military Caregiver Leave under the FMLA: Continued coverage for up to twenty-six (26) workweeks in a single 12-month leave period, as defined in section D.1.a.
- 3) When the employee is on a Qualifying Exigency Leave under the FMLA: Continued coverage for up to twelve (12) workweeks in a calendar year.
- 4) When the employee is on a Pregnancy Disability Leave under the California Pregnancy Disability Leave Law (PDLL), regardless of whether any of the leave runs concurrently under the FMLA: Continued coverage for up to four (4) months in a twelve month period. If any of the Pregnancy Disability Leave runs concurrently under the FMLA, the continued coverage for that portion of the leave will count towards the employee's FMLA entitlement for up to twelve (12) workweeks of such coverage in a calendar year.
- 5) When the employee is on FML under the CFRA that does not run concurrently under the FMLA (e.g., Parental Leave after an employee's FMLA entitlement has been exhausted): Continued coverage for up to twelve (12) workweeks in a calendar year.

Other group insurance coverage and retirement benefits shall be continued in accordance with the provisions of the applicable group insurance and retirement system regulations.

h. **Review of Denials or Deferrals of FML Requests**

If an employee's request for FML is denied, deferred or otherwise provided for short of the employee's initial request, such University action may, upon the employee's written request, be reviewed by the Department/Division Head. Neither the University's action in granting or not granting an FML nor the results of such review shall be subject to Article 10 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement.

i. **Return to Work After FML**

An employee granted FML for any reason other than Pregnancy Disability shall be returned to the same or an equivalent position upon return from the leave. For an employee's return to work rights after Pregnancy Disability Leave, see Section E.7, below. If the position has been abolished or otherwise affected by layoff and an equivalent position is not available, the employee shall be afforded the same considerations which would have been afforded had the employee actually been working rather than on leave when the position was abolished or affected by layoff. An employee granted an FML is not entitled to reinstatement to his/her position if the employee's appointment ending date or predetermined date of separation occurs before the scheduled return date.

2. FML for the Employee's Serious Health Condition

FML for the employee's own serious health condition is leave taken when the employee's own serious health condition, as defined in Section D.1.a.6, above, renders the employee unable to perform any one or more of the essential functions of the employee's position.

3. FML to Care for a Family Member with a Serious Health Condition

FML to care for a family member with a serious health condition is leave to care for the employee's child, parent, spouse or same or opposite sex domestic partner who has a serious health condition, as defined in Section D.1.a.7, above.

4. FML as Pregnancy Disability Leave

When an employee who takes Pregnancy Disability Leave pursuant to Section E – Pregnancy Disability Leave, below, is eligible for FML, her Pregnancy Disability Leave will be counted against her FML entitlement under the FMLA as well as her entitlement under the PDLL.

5. FML as Parental Leave

Parental Leave is a form of FML an employee may take to bond with the employee's newborn or a child placed with the employee for adoption or foster care or to attend to matters related to the birth, adoption or placement of the child. This type of leave shall be initiated and concluded within one year of the birth or the placement of the child with the employee. The University will grant a Parental Leave subject to the limitations described below.

a. **Eligibility Criteria**

An employee taking Parental Leave must meet the eligibility requirements for FML set forth in Section D.1.b except when the employee is taking Parental Leave immediately following

Pregnancy Disability Leave and was eligible for leave under the FMLA/CFRA at the beginning of that Pregnancy Disability Leave; in those circumstances, the employee shall be granted a Parental Leave for up to twelve workweeks after her Pregnancy Disability Leave, provided that she has not exhausted her FML entitlement under CFRA for that leave year.

b. Requests for Parental Leave

The employee shall request Parental Leave sufficiently in advance, if possible, of the expected birth date of the child or placement of a child for adoption or foster care to allow the University to plan for the absence of the employee, but the employee shall not be required to provide more than thirty (30) days advance notice. The anticipated date of return from Parental Leave shall be set at the time such leave commences, or if requested in conjunction with an FML leave taken for pregnancy/childbearing disability, shall be set at the time such Pregnancy Disability Leave commences. Parental Leave, when taken for adoption or foster care, could commence prior to the date of the child's placement with the employee.

c. Leave Entitlement

Parental Leave alone shall not exceed twelve (12) workweeks in a calendar year. When Parental Leave is combined with a Pregnancy Disability Leave, the total FML Leave shall not exceed seven months in the leave year.

d. Length of Parental Leaves

The University shall grant a Parental Leave of less than two weeks' duration on any two occasions during the leave year. The University, at its discretion, may request that any additional leaves for Parental Leave requested during this same time period be for a minimum duration of two weeks.

6. FML as Military Caregiver Leave

Military Caregiver Leave is a type of FML that an eligible employee may take to care for a family member who is a "covered servicemember" undergoing medical treatment, recuperation or therapy for a serious injury or illness incurred in the line of duty, consistent with the definitions of those terms in Section D.6.a below. The general FML provisions set forth in Sections D.1 above apply to Military Caregiver Leave except to the extent that provisions more specific to Military Caregiver Leave are set forth in this Section D.6.

a. Definitions applicable to Military Caregiver Leave

- 1) Covered servicemember means (i) a current member of the regular Armed Forces (including a member of the National Guard or Reserves) who, because of a serious injury or illness, is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is on the temporary disability retired list; or (ii) a covered veteran who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.
- 2) Covered veteran means an individual who was a member of the Armed Forces (including a member of the National Guard or Reserves) who was discharged or released under conditions other than dishonorable at any time during the

five-year period prior to the first date the eligible employee takes Military Caregiver Leave to care for a covered veteran.

- 3) Outpatient status means the status of a servicemember assigned to (a) a military medical treatment facility as an outpatient; or (b) a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients.
- 4) Serious injury or illness means (i) for a current member of the Armed Forces (including the National Guard or Reserves): an injury or illness that was incurred by the covered servicemember in the line of duty on active duty in the Armed Forces or that existed before the beginning of the covered servicemember's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces and that may render the covered servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating or (ii) for a covered veteran: an injury or illness that was incurred by the covered veteran in the line of duty on active duty in the Armed Forces (or existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces) and manifested itself before or after the member became a veteran.
- 5) Parent of a covered servicemember means a covered servicemember's biological parent, adopted parent, step-parent, foster parent, or any other individual who stood in loco parentis to the covered servicemember when the covered servicemember was a child. The term does not include parents "in law."
- 6) Son or daughter of a covered servicemember means a covered servicemember's biological child, adopted child, foster child, stepchild, legal ward, or a child for whom the covered servicemember stood in loco parentis, and who is of any age.
- 7) Next of kin means either (a) the nearest blood relative of the covered servicemember (other than the covered servicemember's spouse, domestic partner, parent, son or daughter) or (b) the person who the covered servicemember has designated in writing as his/her nearest blood relative for purposes of Military Caregiver Leave.
- 8) Single 12-month leave period means the period beginning on the first day the employee takes leave to care for the covered servicemember and ending 12 months after that date. (This leave period differs from the calendar year definition of the leave year used for determining eligibility for other types of FML.)

b. Eligibility Criteria for Military Caregiver Leave

In addition to meeting the eligibility requirements for FML set forth in Section D.1.b, an employee taking Military Caregiver Leave must be a spouse, domestic partner, parent, son, daughter or next of kin of the covered servicemember.

c. Leave Entitlement for Military Caregiver Leave

An eligible employee is entitled to up to 26 workweeks of Military Caregiver Leave during a single 12-month leave period. Leave is applied on a per-covered servicemember, per-injury basis. Eligible employees may take more than one period of 26 workweeks of leave if the leave is to care for a different covered servicemember or to care for the same servicemember with a subsequent serious injury or illness, except that no more than 26 workweeks of leave may be taken within any "single 12-month leave period."

If an eligible employee does not use all of his or her 26 workweeks of leave entitlement to care for a covered servicemember during this single 12-month leave period, the remaining part of the 26 workweek entitlement to care for the covered servicemember for that serious injury or illness is forfeited.

As with other types of FML, this leave may also be taken on an intermittent or reduced schedule basis. If the need for intermittent or reduced schedule leave is foreseeable based on the planned medical treatment of the covered servicemember, the employee may be required to transfer temporarily, during the period that the intermittent or reduced schedule is required, to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position.

d. Documentation and Certification for Military Caregiver Leave

Employees may be required to provide a certification completed by an authorized health care provider, which includes health care providers affiliated with the Department of Defense, the Veterans Administration, and TRICARE, as well as any other health care provider (as defined in Section D.1.k.) who is treating the covered servicemember, to establish entitlement to Military Caregiver Leave. In addition, employees may be required to provide certain information (or have the covered servicemember provide that information) including information establishing that the servicemember is a covered servicemember for purposes of Military Caregiver Leave, his or her relationship with the employee, and an estimate of the leave needed to provide the care. The employee may also be required to provide confirmation of a covered family relationship between the employee and the covered servicemember.

e. Use of Accrued Paid Leave during Military Caregiver Leave

An employee on an approved FML leave for Military Caregiver Leave may elect to use accrued compensatory time off (in accordance with Article 13 – Hours of Work or accrued vacation time before taking FML without pay. However, if the employee's vacation leave accrual is at maximum the employee will be required to use at least 10% of the vacation leave credit prior to taking FML without pay. Up to thirty (30) days of accrued sick leave per year may be used during FML taken to care for a family member who is a covered servicemember with a serious injury or illness pursuant to Article 38 - Sick Leave, Section B.3.b.

7. FML as Qualifying Exigency Leave

Qualifying Exigency Leave is a type of FML that an eligible employee may take if the employee's spouse, domestic partner, son, daughter or parent is a military member and the employee needs to attend to any "qualifying exigency" while the military member is on covered active duty or call to covered active duty, consistent with the definition of those terms in Section D.7.a, below. The general FML provisions set forth in Sections D.1 above apply to Qualifying Exigency Leave except to the extent that provisions more specific to Qualifying Exigency Leave are set forth in this Section D.7.

a. Definitions applicable to Qualifying Exigency Leave

- 1) Covered active duty or call to covered active duty status means (a) in the case of a member of the regular Armed Forces, duty during the deployment to a foreign country or (b) in the case of a member of the Armed Forces Reserve, duty during the deployment to a foreign country under a Federal call or order to active duty in support of a contingency operation as defined by the FMLA.
- 2) Qualifying exigency is defined as any one of the following, provided that the activity relates to the military member's covered active duty or call to covered active duty status:
 - a) Short notice deployment to address issues that arise due to the military member being notified of an impending call to covered active duty seven (7) or fewer calendar days prior to the date of deployment
 - b) Military events and activities, including official ceremonies
 - c) Childcare and school activities for a child of the military member who is either under age 18 or incapable of self-care
 - d) Financial and legal arrangements to address the military member's absence or to act as the military member's representative for purposes of obtaining, arranging, or appealing military service benefits while the military member is on covered active duty or call to covered active duty status and for the 90 days after the termination of the military member's covered active duty status
 - e) Counseling (provided by someone other than a health care provider) for the employee, for the military member, or for the child of the military member who is either under age 18 or incapable of self-care
 - f) Rest and recuperation (up to fifteen (15) days of leave for each instance) to spend time with the military member who is on short-term, temporary rest and recuperation leave during deployment
 - g) Post-deployment activities to attend ceremonies sponsored by the military for a period of ninety (90)

days following termination of the military member's covered active duty and to address issues that arise from the death of the military member while on active duty status

- h) Parental care for the parent of the military member when the parent is incapable of self-care
- i) Additional activities related to the military member's covered active duty or call to covered active duty status when the employer and employee agree that such activity qualifies as an exigency and agree to both the timing and duration of the leave.

b. Eligibility for Qualifying Exigency Leave

In addition to meeting the eligibility requirements for FML set forth in Section D.1.b, an employee must be the spouse, domestic partner, son, daughter, or parent of a military member to be eligible for Qualifying Exigency Leave.

c. Leave Entitlement for Qualifying Exigency Leave

Eligible employees are entitled to up to twelve (12) workweeks of Qualifying Exigency leave during a calendar year.

As with other types of FML, Qualifying Exigency Leave ~~also~~ may be taken on an intermittent or reduced schedule basis.

d. Documentation and Certification for Qualifying Exigency Leave

Employees may be required to provide a copy of the military member's active duty orders. Employees may also be required to provide certification of: (1) the reasons for requesting Qualified Exigency Leave, (2) the beginning and end dates of the qualifying exigency, and (3) other relevant information.

e. Use of Accrued Paid Leave During Qualifying Exigency Leave

An employee on an approved FML leave for Qualifying Exigency Leave may elect to use accrued compensatory time off (in accordance with Article 13 – Hours of Work) or accrued vacation time before taking FML without pay. If the employee's vacation leave accrual is at maximum, the employee will be required to use at least 10% of the vacation leave credit prior to taking FML without pay.

E. PREGNANCY DISABILITY LEAVE

An employee may take Pregnancy Disability Leave when disabled by pregnancy, childbirth, or related medical conditions or for purposes of prenatal care.

1. Leave Entitlement for Pregnancy Disability Leave

During the period of verified pregnancy-related disability, a female employee is entitled to and the University shall grant a leave of absence of up to four months. If the pregnancy-related/childbearing medical disability continues beyond four months, a further medical leave of absence may be granted in accordance with Section C – Medical Leaves of Absence, above. Additionally, the employee may be eligible for a Parental leave to bond with a newly born child in accordance with Section D.5, above. When parental leave is granted under Section D.5, the total of Parental Leave and Pregnancy

Disability Leave, when taken in conjunction, shall not exceed seven months in the leave year.

3. Transfer and Reasonable Accommodation

- a. As an alternative to, or in addition to Pregnancy Disability Leave, the University shall temporarily transfer a pregnant employee to a less strenuous or hazardous position upon the request of the employee when such transfer is medically advisable according to the employee's health care provider, if the transfer can be reasonably accommodated. For the purpose of this section, a temporary transfer includes a temporary modification of the employee's own position to make it less strenuous or hazardous. A temporary transfer under this section is considered time worked and shall not be counted toward an employee's entitlement of up to four (4) months of Pregnancy Disability Leave, unless the employee is also on a reduced work schedule or an intermittent leave schedule. When the employee's health care provider certifies that the transfer is no longer medically advisable, the University shall return the employee to her same position or a comparable position in accordance with Section E.7, below.
- b. If the employee's health care provider certifies that reasonable accommodations other than transfer and/or leave on an intermittent or reduced schedule basis are medically advisable, the University shall engage in the interactive process to identify and implement the

Failure to provide such certification may result in delay of the reasonable accommodation or transfer until the certification is provided.

**ARTICLE 28
PERFORMANCE EVALUATION**

A. DEFINITION

Performance Evaluation is a constructive process to acknowledge the performance of an employee. An employee's evaluation shall be sufficiently specific to inform and guide the employee in the performance of his/her duties. Performance evaluation is not in and of itself a disciplinary procedure.

B. EVALUATION OF EMPLOYEES

1. Evaluation of Probationary Employees

A probationary employee shall be evaluated in writing at least once near the midpoint of a full probationary period. Nothing in this Article shall in any way affect, interfere with, or prevent the release of a probationary employee at any time during a probationary period nor shall any provision of this Article affect, interfere with or prevent the extension of an employee's probationary period. The provisions of this Article shall in no way affect or alter the provisions of Article 9 - Probationary Period of this Agreement.

2. Evaluation of Non-probationary Career Employees

Non-probationary career employees shall be evaluated in writing at least annually on a schedule and in a manner in accordance with the individual campus/Laboratory-determined performance evaluation procedure(s). At the time of evaluation, the employee shall be given a copy of the evaluation and shall have the opportunity to provide written comments regarding the evaluation. The comments, if any, shall be attached to the employee's evaluation and placed in the employee's personnel file.

The fact that the employee's performance has been deemed satisfactory shall not preclude the University from introducing evidence relative to any aspects of the employee's performance in grievance and/or arbitration procedures or other proceedings.
- c. For purposes of this Article only, the annual period within which written performance evaluations of non-probationary career employees are to be provided shall commence on the date the terms and provisions of this Article become effective.

C. Records involving the processing of an employee's grievance such as the grievance form, step appeals/responses, and settlement documents will be kept in a file separate from the employee's personnel file. It is not the intent of this section to exclude from the employee's personnel file final disciplinary action documents that result from a settlement agreement.

Neither an employee nor his/her representative shall be entitled to review confidential pre-employment information or confidential information relating to transfers or promotions of the employee out of his/her bargaining unit, nor shall the employee or his/her representative be entitled to review documents

The number of Per Diem appointments may fluctuate in response to patient issues such as census, level of care, and acuity changes.

 - a. Annually, in the month of May, each campus and hospital will review the total hours worked, pursuant to 7.b. below, by Per Diem employees who have provided the University with a written statement of interest in becoming a career employee. For medical plans to remain in force, the employees on furlough must remit to the University, in advance, the amount of the employee's contribution, if any. Non-industrial disability and short-term disability insurance are not provided when employees are on furlough. Time on furlough is not qualifying time for vacation leave, sick leave, holiday pay, or service computation for seniority or retirement.

H. REASSIGNMENT

The reassignment of an employee in a full-time career appointment to a partial-year appointment or to a part-time appointment at a fixed or variable percentage of time shall be considered a reduction in time and must be carried out in accordance with the provisions of Article 13 - Layoff and Reduction in Time.

- I. Neither this Article nor any other Articles or provisions of this Agreement shall be

construed as a guarantee of or limitation on the number of hours per work day or workweek.

ARTICLE 31 PROBATIONARY PERIOD

- A.** Employees shall serve a probationary period of six months of continuous service at one-half time or more without a break in service. Time on leave with or without pay is not qualifying service for the completion of the probationary period. Employees who are rehired following a break in service shall serve a new probationary period whether or not they previously completed a probationary period. Probationary employees and other non-career employees may be released without cause at the sole discretion of the University.

 - 1. A converted employee who has worked in the “same job” prior to conversion will have such time in that position applied against their probationary period. For the purposes of this provision, "same job" means a job in the same department/unit and with the same duties as the job to which the individual was assigned prior to conversion, and which reports to the same supervisor as did the per diem or limited appointment job.
 - 2. A converted employee who has worked in a “substantially similar job” prior to conversion or accepting the career appointment shall receive three (3) months service credit toward completion of her/his probationary period in the new career position.

The University shall make a determination as to whether the employee shall serve a probationary period and shall so notify the employee in writing prior to or concurrent with the employee's placement in the career position.
- D.** At the sole discretion of the university, an employee's probationary period may be extended. Such an extension shall be for a specific period of time not to exceed three months. At least seven calendar days prior to the effective date of the extension, the employee shall be informed in writing of the reason(s) for and the period of the extension.
- E.** Disputes arising from this article shall not be subject to Article 9 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement.

ARTICLE 32 REASONABLE ACCOMMODATION

A. GENERAL PROVISIONS

In a manner that is consistent with applicable law, the University provides reasonable accommodation to qualified employees who are disabled or become disabled and need assistance to perform the essential functions of their jobs. This section shall not be construed as a guarantee of a specific form of accommodation nor shall accommodation in one case establish a precedent for similar or dissimilar circumstances, since all accommodations will be determined

in accordance with the specific functional abilities of the employee in coordination with the requirements of the employee's job. The interactive process shall be used to determine what, if any, reasonable accommodation will be made.

B. THE INTERACTIVE PROCESS

1. When an employee requests reasonable accommodation for a disability or the University has reason to believe that a reasonable accommodation is needed, the parties will engage in the interactive process, which is an ongoing dialogue between the employee and appropriate University representatives about possible options for reasonably accommodating the employee's disability. Options for reasonable accommodation may include, but are not limited to: assistive devices; modification of existing facilities; restructuring the job to eliminate non-essential job functions; and leaves of absence. Both the University and the employee are expected to participate in the interactive process in good faith, which includes engaging in timely communications regarding possible reasonable accommodation.

During the interactive process, the University considers information related to: the essential functions of the job, the employee's functional limitations; possible accommodations; the reasonableness of possible accommodations; and issues related to the implementation of a reasonable accommodation. This information will be used by the University to determine what, if any, reasonable accommodation will be made. While the University will consider the employee's suggestions regarding which accommodation(s) to implement, the University will determine which accommodation(s) will be implemented.

The University will not implement an accommodation that would present an undue hardship.

2. The University will process requests for reasonable accommodation and provide accommodations where reasonable and appropriate and in as short a time frame as reasonably possible. The parties recognize, however, that the time necessary to process a request will depend on the nature of the accommodation requested and whether the employee has provided sufficient supporting information.
3. Should an employee wish to receive an update as to the status of his/her request, he/she may contact the assigned University representative. The University representative will respond to the employee's request for updated information in a timely manner.
4. If the University determines that the employee cannot be reasonably accommodated in his or her current position, a search for an alternative vacant position for which the employee is qualified with or without reasonable accommodation will be conducted without the requirement that the position be publicized.

C. MEDICAL DOCUMENTATION

The employee is responsible for providing the University disability manager or other appropriate University representative with medical documentation regarding the employee's disability and how it limits the employee's ability to perform the essential functions of the job. The University may require that a University-appointed licensed healthcare provider examine the employee and/or confirm the documentation provided by the employee. In such a case, the University shall pay the costs of the University-appointed health care provider.

D. TRIAL EMPLOYMENT

When recommended by a disability manager and approved by the appropriate University official, a qualified former non-probationary career disabled employee may be offered temporary trial employment to evaluate the employee's interests and abilities. The length of this trial employment, which shall not exceed one year, shall be determined by the disability manager in consultation with the employing Department/Division Head. Positions used for trial employment shall not be designated as career, except that an employee shall maintain benefits to the extent permitted by benefit plan rules.

**ARTICLE 33
RELEASE TIME FOR NEGOTIATIONS**

A. BARGAINING TEAM

1. The Union shall designate a total of twelve (12) permanent members to its bargaining team for the Service Unit, not more than one team member from each University location. One location may have two (2) members, however, they cannot be from the same department. Under this Article, a campus/medical center and other off-site University center is a single location. Lawrence Berkeley National Laboratory is a separate location. Such members shall be Service bargaining unit employees of the University of California.
2. Alternates or substitutes for each of the designated AFSCME bargaining team members shall be permitted. AFSCME shall provide in writing the names of the designated permanent and alternate members of its bargaining team to the Office of Labor Relations at least 30 calendar days prior to the first scheduled bargaining session.
3. In the event AFSCME permanently replaces any designated bargaining team member, the name of the permanent replacement shall be communicated in writing to the Office of Labor Relations Office of the President, fifteen (15) calendar days prior to the effective date of the replacement. The Office of Labor Relations shall acknowledge in writing the newly designated employee and inform the appropriate work location.

B. The University will release designated bargaining team members from their work assignments without loss of straight time pay and benefits to attend scheduled bargaining sessions. Such release time will include reasonable travel time to attend bargaining sessions. The University need not provide paid release time for bargaining to any employee for whom AFSCME failed to provide notice, in accordance with the provisions of §A., above.

1. The hours for which any of the designated employees are in the without-loss-of-straight-time pay and benefits status shall not exceed, for any one day of a scheduled bargaining session, the total regular hours the employee would have been scheduled to work had he/she not been released from his/her work assignments to attend a scheduled bargaining session.
2. The total hours for which an employee is compensated shall not be such that the total results in the payment of overtime generated as a result of having attended a bargaining session. Deviation from this paragraph may be made only by mutual agreement of the parties on a case-by-case basis.

C. Deviation from §A. and §B., may be made only by written agreement of the parties on a case-by-case basis.

D. The above-described treatment of without-loss-of-pay-and-benefits status shall not result in any double payment for the hours in such status.

- E.** The designated employees shall give their immediate supervisor written notice of their intent to attend scheduled bargaining sessions at least fifteen (15) calendar days prior to the date of the scheduled sessions, with the exception of the initial notice of election to the bargaining team which must be provided thirty (30) days in advance. The parties may agree to a shorter period of notice.
- F.** AFSCME shall provide and certify to the employer an attendance roster at the end of each bargaining session.
- G.** Reasonable travel time means actual travel to and from scheduled bargaining sessions for the designated employees. At the employer's discretion, the designated employees may be required to report to work prior to and subsequent to scheduled bargaining sessions.
- H.** A scheduled bargaining session is defined as the prior agreement of the parties to meet face to face for the purpose of negotiating terms and conditions of an Agreement and that such meeting actually takes place for a reasonable period of time or, if no meeting actually takes place, it is the result of the employer's unavailability to appear at the bargaining table. If no meeting actually takes place during the scheduled meeting day as the result of the University's unavailability to appear at the bargaining table, or the University agrees that a full-day union bargaining team caucus is necessary to the bargaining process, the University may designate a day without a face-to-face meeting as a "bargaining session."

ARTICLE 34 RESIGNATION & JOB ABANDONMENT

A. RESIGNATION

Employees who voluntarily separate from employment are, by definition, considered to have resigned their employment with the University.

1. An employee who retires or otherwise voluntarily separates from a position with the University shall be required to submit a letter of resignation as notice of termination at least 15 calendar days prior to the effective date of such resignation.
 - a. Upon the employee's submission of a written notice of resignation there shall be no withdrawal or rescinding of the resignation except by the written agreement of the University and the employee.
 - b. In the event an employee provides an oral notice of resignation, s/he may rescind such notice within two (2) scheduled work days following the oral notice. Such rescission must be made to her/his supervisor, in writing. If oral notice of resignation is not rescinded within the two (2) work-day limit, there shall be no withdrawal or rescission of her/his resignation except by the written mutual agreement of the University and the employee.
 - c. With the exception of retirement, the final paycheck (including earnings to date, overtime, compensatory time and vacation hours) shall be paid to the employee in a timely manner normally ten (10) calendar days. Retirement compensation shall be provided pursuant to retirement plan regulations.
 - 1) Upon the employee's request, the final paycheck may be mailed to an address designated by the employee. Otherwise, the final paycheck shall be distributed through the employee's normal election (paper check or electronic deposit).

- 2) If the date of pay falls on a Saturday, Sunday, or weekday holiday, actual payment may be made on the next business day. Monday through Friday will be considered business days at all locations including Medical Centers and other 24-hour/7-day operations.
2. An employee who retires or otherwise voluntarily separates from a position with the University and does not provide at least 10 calendar days prior to the effective date of such resignation, consistent with section A.1. above, shall be issued his/her final pay (including earnings to date, overtime, compensatory time and vacation hours) no later than the next regular pay day in which the earnings for the final date(s) of work would have been normally paid.

B. JOB ABANDONMENT / RESIGNATION

The University may treat failure to report to work for five (5) or more consecutive scheduled work days without notice as an employee's abandonment of, and resignation from, her/his University position.

1. In the case of such job abandonment/resignation, the University shall provide the employee with written notification of its intent to separate her/him. This notification shall include the reasons for the separation, the employee's right to respond to the University within fourteen (14) calendar days, and a Proof of Service. The notification shall be sent to the employee's last known mailing address.
 2. At the option of the employee, her/his response may be written or may be a meeting with a designated University official who has the authority to effectively recommend reinstatement of the employee.
 3. Following the employee's timely response, or if no response was provided within the fourteen (14) calendar days, the designated University official shall issue a final decision.
 4. Separations for job abandonment may be grieved/arbitrated solely to determine if job abandonment as defined under this article has occurred and if the University satisfied its obligations in B.1 above.
 5. If the arbitrator determines that job abandonment has occurred and the University has complied with B.1 above, they shall have no authority to overturn or modify the University's action.
- C.** The University shall notify the employee in writing at the employee's last known mailing address of all actions taken under the provisions of this Article. It is the employee's responsibility to inform their immediate supervisor in writing, or in accordance with local procedures, of any changes to his/her mailing address.

ARTICLE 35 SENIORITY

A. DEFINITION OF SENIORITY FOR LAYOFF AND REDUCTION IN TIME AND TRANSFER/PROMOTION/RECLASS

For the purposes of Article 16, Layoff and Reduction in Time and Article 40 Transfer/Promotion/Reclassification, seniority shall be based on the most recent date of hire in a staff career position at the University. Employment prior to a break in service shall not be counted.

B. DEFINITION OF SENIORITY FOR HOURS OF WORK AND VACATION LEAVE

- 1. For purposes of Article 13 - Hours of Work, Article 43 – Vacation Leave, and Article 30 – Positions and Appointments, seniority shall be defined as an employee’s most recent date of hire into a job title within a department or transfer within the same job title into another department.
- 2. Departments shall have the discretion to use the definitions applied below as an alternative to the definition in B.1.
 - a. Departments that currently define seniority as an employee’s most recent date of hire into a title series may continue to define seniority by title series. Such department may only change this definition by mutual agreement.
 - b. Departments not currently defining seniority as an employee’s most recent date of hire into a title series may define seniority by title series by mutual agreement.

C. TIE BREAKERS

When bargaining unit employees in the same layoff unit have the same date of hire, seniority shall be determined according to total hours on pay status since the most recent date of hire into a career position.

D. SENIORITY LISTS

Upon written request the University shall provide appropriate specific seniority lists ten (10) business days from the date the written request is received.

**ARTICLE 36
SEVERABILITY**

In the event that any provision of this Agreement is declared invalid or void by statute or judicial decision, such action shall not invalidate the entire Agreement. It is the express intention of the parties that all other provisions not declared invalid or void shall remain in full force and effect. In the event that any provision of this Agreement is declared invalid or void, the parties agree to meet promptly upon request of the other party in an attempt to reach an agreement on a substitute provision.

**ARTICLE 37
SHIFT DIFFERENTIAL**

- A.** Eligible employees assigned to an evening or night shift shall be paid a shift differential for all hours including overtime which are worked. Classes eligible for a shift differential and shift differential rates by location are listed in Appendix A. Work which is scheduled during the evening or night hours on the basis of convenience to the employee shall not be considered an assigned evening or night shift for the purpose of this provision.
- B.** A shift differential shall be paid for all hours of a shift when four hours or more of a shift are worked after 5:00 p.m. and before 8:00 a.m.
- C.** An employee in an eligible class regularly assigned to a day shift of eight hours or longer shall be paid a shift differential for overtime hours when the overtime hours are worked after 5:00 p.m. and before 8:00 a.m., the total overtime hours in one 24-hour day are equal to at least one-half of the number of regular hours

in the employee's day shift, and the overtime is not compensated at a premium rate.

- D. When an employee who usually works on an evening or night shift is temporarily assigned to a day shift for a period of four working days or less, the employee shall continue to receive any shift differential. A temporary change of four working days or less in shift assignment initiated by the employee is not covered by this provision.
- E. The shift differential shall be included in payments for all types of paid leave, provided that the employee would have been expected to work that shift or shifts if the employee were not on paid leave.

SHIFT DIFFERENTIAL -- LAWRENCE BERKELEY LABORATORY

Policies, procedures, definitions, qualifications, calculations, covered hours and rates relative to Shift Differential at the Laboratory shall remain in effect for employees at the Laboratory and shall supersede the provisions of this Article in A. through E. above. Shift differential rates for employees at the Laboratory are listed in Appendix B.

**ARTICLE 38
SICK LEAVE**

A. SICK LEAVE CREDIT

- 1. An employee on pay status for at least one-half of the working hours in a month or quadri-weekly cycle (i.e., two consecutive bi-weekly pay periods) is eligible to accrue sick leave credit for that period. An employee shall accrue leave at the rate of .046154 hours per hour on pay status. The number of sick leave hours which may be accrued is unlimited.
- 2. Time on pay status in excess of a full-time work schedule (on-call, call-back, premium pay, and overtime hours) shall not be included as pay status hours when computing the amount of sick leave accrued.
- 3. Accrued sick leave shall be credited to the employee on the next working day following the accrual period, except that an eligible separating employee shall accrue proportionate sick leave through the last day on pay status.

B. SICK LEAVE CREDIT USE

- 1. Sick leave is to be used for personal illness, personal disability or medical appointments; and, as provided below, for the serious illness of an employee's parent, spouse, domestic partner, children, brother, sister, grandparent, grandchildren, father-in-law, mother-in-law, son-in-law, or daughter-in-law; or of any other person related to the employee who is residing in the employee's household or for bereavement. No Service Unit employee shall be disciplined for reasonable use of sick leave.
- 2. Sick leave shall not be used prior to the time it is credited. Sick leave shall not be used in excess of the employee's normally-scheduled hours of work. Sick leave shall not be used beyond a predetermined date of separation, including retirement or layoff, or the beginning of a leave of absence without pay. However, an employee on pregnancy disability may use sick leave for the time period beginning with the date on which she is physically unable to perform the normal duties of her job or the date of delivery, whichever is earlier, and continuing through the date of release certified by her doctor.

3. Up to 30 days of accrued sick leave per year may be used when the employee is required to be in attendance or to provide care because of serious illness of the employee's parent, spouse, domestic partner, children, brother, sister, grandparent, grandchildren, father-in-law, mother-in-law, son-in-law, or daughter-in-law; or any other person related to the employee who is residing in the employee's household.
4. If, while on vacation, an employee becomes ill and is under the care of a physician and submits a physician's statement, the employee may use accrued sick leave for that personal illness. Sick leave may not be used for illness of a family member during the employee's vacation.
5. Bereavement Leave
Sick leave for bereavement purposes may be used as follows:
 - a. Up to five days of accumulated sick leave per occurrence may be used when attendance is required due to the death of the employee's parent, spouse, children, brother, sister, grandparent, grandchildren, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or step-relatives; or any other person for whom the employee has a personal obligation who is residing in the employee's household.
 - b. In the event an employee has a personal obligation for a person other than someone in §B.5.a. above, the employee shall be permitted to use up to five days of accrued sick leave per calendar year for funeral attendance/bereavement.

C. SICK LEAVE PAY

Sick leave is paid at the employee's straight-time rate of pay including any shift differential, provided that the employee would have been expected to work that shift or shifts if not on sick leave.

D. SICK LEAVE NOTIFICATION AND VERIFICATION

1. No sick leave pay shall be payable to an employee unless the employee's immediate supervisor or designee is notified of the illness/disability and the probable duration thereof as soon as possible, but in no event later than the beginning of the employee's work day except when the University determines that the employee's failure to notify is due to extreme circumstances beyond the control of the employee. Subsequent to a notice of illness/disability and the return to work by an employee, no time for which the employee has requested/received sick leave authorization shall be charged to accrued/anticipated compensatory time, leave with pay, vacation, or holiday time in lieu of sick leave time.
2. When justified by the employee's attendance or other circumstances, an employee may be required to submit satisfactory documentation of personal or family illness, disability, or death to the University in order to receive an excused absence from work and sick leave pay. The employee shall be given notice prior to returning to work that he/she will be required to provide such documentation.
3. Employees who have unscheduled absences due to illness on a scheduled work day preceding or following a holiday may be required to bring a medical verification of illness to the employee's supervisor on the employee's return to work in order for the absence to be authorized.
4. When medical documentation is required by the University, it shall be from a health practitioner licensed by the state in which he/she practices to

diagnose and certify illness or disability or from an authorized representative of a recognized treatment program. When an employee has been recommended for relief from duty by a medical practitioner acting on behalf of the University, the time granted shall be considered documented sick leave for the day of the relief from duty only, unless otherwise specified by the University's practitioner.

5. The University may have an employee claiming disability examined by a physician or physicians of its choosing. The University shall pay the reasonable costs of any such medical examination and, when practical, shall send the employee to a physician of its choosing on the employee's work time.
6. Any employee who anticipates a series of three or more medical appointments which will require a repeated use of sick leave shall inform his/her immediate supervisor of the anticipated schedule of treatment.
7. Except as protected under applicable State or Federal law, an employee's repeated use of sick time may result in loss of sick leave pay, when the University has determined that such use is abusive, and provided the University has provided prior written notice to the employee that sick leave will be denied on future instances of illness irrespective of the nature or duration of illness.

E. TRANSFER AND REINSTATEMENT OF SICK LEAVE

1. An employee transferred, promoted, or demoted without a break in service shall have any accumulated sick leave transferred if the employee is moving to a position where sick leave is accumulated. An employee transferred, promoted, or demoted to a position which does not accumulate sick leave shall have his/her accumulated sick leave held in abeyance. If the employee subsequently moves without a break in service to a position within the University which does accumulate sick leave, the previously-accumulated sick leave shall be restored. An employee who has been laid off and is recalled or preferentially rehired within the employee's period of recall or preferential rehire eligibility shall have all sick leave accumulated from prior service reinstated.
2. An employee reemployed from University service or State of California service into the bargaining unit after a break in service of less than 15 calendar days shall have all sick leave accumulated from prior service reinstated if the new position is one which accumulates sick leave. If an employee is employed or reemployed in this bargaining unit after a break in service of more than 15 calendar days but less than six months, sick leave accumulated from prior service up to a maximum of 80 hours shall be reinstated. For purposes of this Section E.2. only, "sick leave accumulated from prior service" includes sick leave accumulated in State of California service.
3. An employee who is transferred, promoted, or demoted into a position not covered by this Agreement shall have the accrual, use, and transfer of sick leave governed by the policies and/or contract covering employees in that unit or personnel program. This Article shall apply to employees with split appointments only if the majority of their time is in the bargaining unit covered by this Agreement. In determining the majority of time, time spent in student appointments shall be disregarded.

C. CONVERSION OF SICK LEAVE ON RETIREMENT

Upon retirement members of the University of California Retirement System shall have their accrued sick leave converted to retirement service credit at the rate

authorized by the University of California Retirement System for each day of unused accrued sick leave.

ARTICLE 39 STAFFING COMMITTEE

- A.** The Union and the University hereby agree to meet every other month at each campus location to address staffing issues and to try to develop reasonable workload guidelines. The parties may agree to meet more or less often. Campus location means all work units associated with a campus, including those at off-campus sites. Such meetings will occur in accordance with the following:
1. The Union must request a meeting and the parties must agree to the meeting date.
 2. The Union must submit a written agenda identifying staffing concerns it wishes to discuss. Such agenda must be submitted to the designated campus representative at least ten (10) work days before the proposed meeting date.
 3. In the event the University has agenda items regarding staffing, the University shall present its agenda to the Union at least ten (10) work days before the scheduled meeting.
 4. In the event neither party submits an agenda item ten (10) work days before the scheduled meeting, the meeting will not be convened.
 5. Individuals who can effectively address the staffing issues that are identified in the submitted agenda will represent each party at the meeting.
 6. The staffing committee will be made up of no more than eight (8) Union representatives, however, no more than four (4) from any operational department and eight (8) management representatives. These eight (8) union representatives shall be in a without loss of straight time pay status provided meetings are scheduled during normal working hours. The Union must submit a written request for employee release time at least seven (7) work days before the scheduled meeting. Such employees will be counted as union representatives, and the release time shall be granted unless operational requirements determine otherwise. Permission to attend these meetings shall not be unreasonably denied.
 7. The Union may present staffing concerns and propose solutions at the staffing committee meetings. The University shall respond to the Union in a timely manner.
 8. The University shall furnish existing workload guidelines when requested by AFSCME.
 9. The parties may use the meetings to discuss the issues pertaining to custodial workload, with the square footage conversion table referenced in the Side Letter of September 26, 2001, as one consideration in the discussions. The Union recognizes that custodial work may be performed by individuals in classifications other than "custodian" at some campuses/hospitals/laboratories. Other considerations will include, but not be limited to, factors such as the type of area to be cleaned, (e.g., classrooms, medical facilities, washrooms, laboratories; areas with easily removable seating vs. areas with fixed equipment/furniture), the scope of routine cleaning activities, (e.g., waste removal, sweeping, dusting, etc.), the scope of special cleaning project activities, (e.g., stripping/waxing/buffing floors, refinishing surfaces, etc.), the combination of areas to be cleaned (e.g., classrooms and washrooms), the type of

cleaning expected, the expected cleaning results and how often specific cleaning expectations are performed (e.g., trash emptied daily/weekly), the number of employees assigned to the work. Other relevant work related factors not mentioned herein may also be considered by the parties.

- B.** The union may request relevant and necessary information as soon as practicable before the proposed meeting date. The University will provide relevant and necessary information about staffing issues at least forty-eight (48) hours before the meeting, provided the requested information can be reasonably gathered in time to provide it within two working days before the meeting. If the information cannot be provided by 48 hours before the meeting, the University will notify the union as soon as practicable. The meeting date may be postponed for a reasonable period. The Union agrees not to make unduly burdensome information requests.
- C.** The University retains the sole prerogative to make decisions about staffing. The union retains the right to bargain over the effects of the University's staffing decisions.
 - 1. The union agrees to identify the known effects of the staffing change it wishes to bargain at the time it makes the bargaining request. During the course of negotiations, the union can raise additional effects issues as they become known.
 - 2. The University shall negotiate over the effects identified by the union, insofar as they are the mandatory subjects of bargaining: wages, hours, and terms & conditions of employment.
- D.** The University's failure to comply with the procedural requirements in this Article is grievable and arbitrable. However, the University's staffing decisions are not grievable or arbitrable, nor is the modification of a staffing decision a remedy that an arbitrator can award.
- E.** Additionally, the fact the parties may not agree on workload guidelines shall not be subject to the grievance and arbitration provision of this Agreement.

ARTICLE 40 TRANSFER/PROMOTION/RECLASSIFICATION

This includes consideration of licensure, certifications, experience, seniority, skills and abilities, performance evaluations, job references, and disciplinary issues within the last two years, if any.

An employee scheduled for an interview on another medical center/campus/Laboratory shall be granted reasonable time off with pay for an amount of time normally equal to the time that would be required for an interview on the employee's own medical center/campus/Laboratory. This section is not subject to Article 9 – Grievance Procedure or Article 3 – Arbitration Procedure of this Agreement.
 3. Upon upward reclassification, an employee shall be granted a salary increase to the minimum of the salary range of the new class or two (2) step moves up the range [at least four (4%) for non-step based employees] whichever is greater, provided that the new rate does not exceed the maximum of the new class.

4. The University shall provide AFSCME the following information:
 - a. The number and classifications of bargaining unit positions posted which were restricted to current University employees;
 - b. the number and classification of bargaining unit positions where an employee was promoted and received more than one step increase; and
 - c. the number and classification of bargaining unit positions posted. This information shall be made available annually for the period of April 1st through March 30th and provided to the Union during the month of May. The format of the above information shall be on a location-by-location basis.
5. In accordance with medical center/campus/Laboratory practice, the University shall inform employees of career development and/or training programs which might assist them with transfers and/or promotions. The University and AFSCME will review local transfer and promotion opportunities through the Labor Management Committee developed under Article 6 – Development. This section is not subject to Article 9 – Grievance Procedure or Article 3 – Arbitration Procedure of this Agreement.

Except as provided above, the provisions of this article are subject to Article 9 - Grievance Procedure or Article 3 - Arbitration Procedure of this Agreement.

- C.** University approved out-of-state lodging expenses will be reimbursed based on the expenses actually incurred as supported by receipts provided prior approval has been received other travel expenses shall remain subject to the per diem rate set forth above regardless of where the expenses were incurred.
- D.** When subsistence expense is paid directly by the University, the individual employee's per diem will be reduced accordingly.
- E.** Changes in per diem rates which are uniformly implemented for non-represented staff employees shall be implemented for the employees covered by this Agreement.

Per Diem Rates – Lawrence Berkeley National Laboratory

Policies, procedures, definitions, qualifications, calculations, covered hours and rates relative to per diem rates at the Laboratory shall remain in effect for employees at the Laboratory and where in conflict shall supersede the provisions of this Article in A. above.

ARTICLE 42
UNIFORMS

A. UNIFORMS

Uniforms are attire which are required by the University to be worn in the performance of assigned duties. The University shall have the sole discretion to determine who shall wear a uniform and the conditions under which it must be worn. Employees shall wear the uniform and maintain a proper appearance as specified by the University.

B. UNIFORM ALLOWANCE

1. Where the University currently provides a uniform allowance, the allowance will continue at the current rate. Where the University currently provides uniforms, the University will continue to provide them as long as the University continues its requirement that uniforms be worn.
2. When a uniform is required and an allowance is provided by the University, an employee shall be responsible, at the time of employment, for the purchase of uniform components specified by the University.
3. Once each calendar year, upon AFSCME's written request, the University will meet with the Union to discuss adjustments to uniform allowances.

C. UNIFORM CHANGE TIME

When an employee is required to change into or out of uniform at the work site, a maximum of ten minutes shall be allowed for this purpose after the beginning and prior to the end of the work shift. Employees not required to change into or out of uniform at the work site will not be granted uniform change time.

D. UNIFORM LAUNDERING

Where laundering of uniforms is currently provided by the University, such laundering shall continue while the requirement for uniforms continues.

ARTICLE 43
VACATION LEAVE

A. VACATION CREDIT

1. An eligible employee shall earn vacation credit each month or quadri-weekly cycle (i.e., two consecutive bi-weekly pay periods) based on the number of hours on pay status for that month or quadri-weekly cycle at the following rates:

Years of Qualifying Service	Per Hour on Pay Status	Approximate Yearly Earning*	Maximum Accumulated Balance
Less than 10	.057692	15 days	240 hours
10 but less than 15	.069231	18 days	288 hours
15 but less than 20	.080769	21 days	336 hours
20 or more	.092308	24 days	384 hours

* Full-time rate.

2. Eligibility

- a. An employee must be on pay status for at least one-half of the working hours of a month or a quadri-weekly cycle to earn vacation credit for that month. Vacation credit is earned proportionately for hours on pay status over one-half (1/2) of the full-time working hours of the month or quadri-weekly cycle but less than full-time. Time on pay status in excess of an employee's full-time work schedule does not earn vacation credit.

- b. Lawrence Berkeley Laboratory

Policies, procedures, definitions and qualifications relative to vacation credit shall remain in effect for employees at the Laboratory and shall supersede all provisions above where in conflict.

3. Earned vacation for each month or quadri-weekly cycle is credited on the first day of the following month or quadri-weekly cycle, except that proportionate vacation credit for an eligible employee who is separating from employment shall be credited at the completion of the last day on pay status.

4. Vacation Maximums

A full-time employee may earn vacation credit to a maximum of two times the employee's annual accumulation rate. A part-time employee may earn vacation credit to the same maximum number of hours as a full-time employee with comparable years of service. Sixty days prior to an employee accruing the maximum amount of vacation, the employee shall be given notice that the maximum accrual will be reached. The employee then shall request vacation to bring his/her accrual below the maximum. If an employee cannot schedule vacation due to operational considerations, that employee shall have an additional four months within which to take vacation to bring his/her accruals below the maximum.

B. VACATION CREDIT USE

1. Vacation leave is scheduled at the convenience of the University. An employee appointed at 50% or more of full-time for a period of six months or more is eligible to earn vacation credit from the date of hire; however, an employee may not use vacation credit until after six continuous months or quadri-weekly cycles on pay status. No vacation shall be used prior to the time it is credited.
2. When during the review of simultaneous requests for vacation submitted by more than one employee, operational needs do not permit the granting of requests for vacation at the same time for the employees who have requested that specific time period, preference in granting the request shall be based on the respective seniority of the employees. Where a practice of rotation of vacation periods exists, such practices shall continue, and only operational needs will be used in assigning such vacation.
3. Lawrence Berkeley Laboratory

E. OTHER INCREASES

1. The University may increase, during the term of this agreement, individual wage rates, or ranges for selected classes at selected locations. The University may also increase, for selected classes at selected locations, during the term of the agreement, shift differentials, on-call rates and/or

extend the coverage of such rates. Likewise, nothing shall preclude the University from providing equity adjustments in addition to those provided in Section F. below.

2. At least thirty (30) calendar days prior to implementing the increases referenced in Section G.1., above, the University shall provide notice to AFSCME.

F. PAY EQUITIES

1. The University of California supports reasonable pay rate equity resulting from the University's initially hiring new career employees at a rate of pay above the pay of current career employees in the same hiring unit in the same classification and who are assigned the same duties.

For the purposes of this Section, a hiring unit is equivalent to a layoff unit. When examining reasonable equity rate issues, the University and AFSCME shall consider the employees':

- a. Years of experience performing the duties related to the position;
 - b. Years of experience in the same or equivalent classification;
 - c. Current employee's work history (reasonably objective work-related issues or concerns that have been documented);
 - d. Appointment type;
 - e. Overall skills, knowledge and ability that can be applied to the job;
 - f. Education (where applicable);
 - g. New employees' documented and objective eligibility for other salary adjustments (e.g., special differentials) or UC benefits; and
 - h. Actual duties assigned.
2. The University will use the criteria above when setting the wage rates of initial hires and the parties will use the above criteria when assessing claims of wage rate equity. All criteria must be met to invoke the University's obligation to increase wages to match the wage of a new hire with a higher pay rate.
 3. An equity rate adjustment concern does not include pay rate actions/agreements for employees who are entering a hiring unit from other University facilities/units, preferential rehire, or rehire from rehabilitation or disability. For the purposes of this section, probationary employees are considered "new employees," unless their movement is done to avoid layoff.

G. PAY RATE EQUITY ADJUSTMENTS PROCESS

Grievability and Arbitrability

1. Only an affected employee or AFSCME on behalf of the affected employee can raise a pay equity grievance. Pay equity must be defined in accordance with the provisions in Section G., above. An affected employee may only raise a pay equity grievance pertaining to his or her current classification.
2. At all steps of the grievance and arbitration procedure, the remedy is limited to whether the University properly applied the criteria in Section G. The arbitrator shall have no authority to set individual wage rates that are less than 2% different from the wages of the comparator new employee.

H. SHIFT DIFFERENTIAL RATE CHANGES

1. Shift differential rates are found in Appendix A. It is the intent of the parties that employees who are assigned to the second or third shift will receive a shift differential, unless such a shift differential is built into their base wage rate.
2. On call employees who are called into work during the evening or night shift shall be paid the applicable shift differential allocated to the title for all hours the employee actually worked during the shift(s) provided he/she works four (4) or more hours in that shift.
3. The University will modify Appendix A to reflect that all shift differentials shall be no less than \$1.00 per hour by July 1st of the final year of the Agreement.
4. Nothing precludes the University from increasing shift differentials more than \$1.00 per hour.
5. This increase applies only to shifts, not to weekend differentials.

I. PERQUISITES

1. Meal and/or housing perquisites are provided to employees when they are required as a condition of employment and for the convenience of the University. The value, as determined by the University at its sole discretion, of meals and/or housing is included in determining the total compensation of an employee.

ARTICLE 45 WAIVER

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and the understandings and agreements arrived at by the parties after the exercise of the right and opportunity are set forth in this Agreement. The rights and procedures granted and set forth under Staff Personnel Policy will no longer apply to employees covered by this Agreement. The University and AFSCME, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

ARTICLE 46 WORK-INCURRED INJURY OR ILLNESS

- A.** Employees who are unable to work due to a work-incurred injury or illness compensable under the California Workers' Compensation Act are eligible to use accrued sick leave and accrued vacation as provided below. When sick leave is exhausted and when employees are still unable to work because of such illness or injury, employees may use extended sick leave or leave without pay as provided below.
- B. USE OF ACCRUED SICK LEAVE AND ACCRUED VACATION LEAVE**
1. An employee who accrues sick leave and vacation shall be permitted to use accrued sick leave and vacation to supplement temporary disability payments received under the California Workers' Compensation Act.
 2. Sick leave and vacation payments shall be the difference between the amount payable to the employee under the Workers' Compensation Act and the employee's regular salary. The additional payment made to an employee to provide the employee with full salary prior to receipt of disability payments shall be deemed an advance temporary disability payment within the Workers' Compensation Act.
 3. An employee who receives advance temporary disability payment shall reimburse the University for such payment. The reimbursement is used to restore proportionate sick leave and vacation credit as appropriate.
- C. EXTENDED SICK LEAVE**
1. An employee who is receiving temporary disability payments and who has exhausted all accrued sick leave shall receive extended sick leave payments from the University in an amount equal to the difference between the payments from Workers' Compensation and 80% of the basic

salary plus any shift differential which the employee would have received. If such an employee returns to part-time University duties, the earnings plus any temporary disability payments, if less than 80% of basic salary plus shift differential, shall be supplemented to 80% by extended sick leave payments, provided the employee continues to be medically authorized for Workers' Compensation temporary disability. Total extended sick leave payments shall not exceed 26 weeks for any one injury or illness.

2. An eligible employee who does not have sufficient accrued sick leave to cover the three calendar days' waiting period for receiving Workers' Compensation payments shall receive extended sick leave payment to cover any part of the waiting period not covered by sick leave. Payment shall be made only after determination that the injury or illness is compensable under Workers' Compensation.
3. An employee who elects not to use all accrued sick leave is not eligible for extended sick leave benefits.

D. EFFECT ON PAY STATUS

1. Supplemental Leave

An employee who is receiving temporary disability payments and supplemental sick leave or vacation as described in Section B. above is considered on regular pay status for purposes of application of provisions of this Agreement, except completion of the probationary period. Sick leave and vacation accrued during this period may be used as soon as they accrue.

2. Extended Sick Leave

An employee who is receiving temporary disability payments and extended sick leave benefits as described in C. above is considered to be on regular pay status for purposes of application of provisions of this Agreement, except completion of the probationary period. However, sick leave and vacation accrued during this period is credited to the employee only upon return to work. If an employee separates without returning to work, the employee shall be paid for vacation for the period the employee received extended sick leave payment.

3. Leave Without Pay

An employee on leave without pay and receiving temporary disability payments accrues sick leave and vacation on the same basis as if regularly employed, but such accrual is credited to the employee only upon return to work. If an employee separates without returning to work, no payment shall be made for such vacation credit.

- E.** Subject to operational considerations and budgetary constraints, the University will endeavor, on a case by case basis, to modify duties for employees who have experienced work related injuries. Employees whose work related injuries cause them to become qualified employees with disabilities within the meaning of "Article 30--Reasonable Accommodation", may also be eligible for reasonable accommodation in accordance with that article. This section shall not be construed as a guarantee of a specific form of accommodation nor shall accommodation in one case establish a precedent for similar or dissimilar circumstances.

F. SEPARATION

An employee shall not use vacation, accrued sick leave, or extended sick leave to supplement Workers' Compensation payments beyond a predetermined date of separation or leave without pay. Any vacation credit remaining on the date of separation shall be paid on a lump-sum basis.

**ARTICLE 47
WORK RULES**

A. GENERAL PROVISIONS

1. The University has the sole, non-grievable, non-arbitrable right to promulgate, supplement, alter, modify, amend, and rescind, work rules. For the purposes of this Article, work rules are defined as rules promulgated by the University which regulate employees relative to and affecting their employment.
2. B. NOTICE

At least forty-five (45) calendar days prior to the implementation of new or changed work rules, the University shall inform AFSCME. Upon receipt of a written request from AFSCME, made within thirty (30) calendar days from the above notice, the campus/hospital/laboratory shall schedule a meeting to meet and discuss the proposed work rule(s) with AFSCME prior to the proposed implementation date.

C. APPLICATION AND GRIEVABILITY

1. The University will reasonably enforce its work rules for employees during working hours and/or when they are on University premises. The University may enforce work rules governing employees during non-working hours only for reasons of bona-fide business and/or health and safety necessity.
2. In the event the University's enforcement/application of its work rules is inconsistent with any portion of this Article, a grievance may be filed in accordance with the provisions of Article 9, Grievance Procedure, and appealed to Arbitration in accordance with the provisions of Article 3, Arbitration Procedure of this Agreement.
3. In the event the application of a work rule is appealed to arbitration, the Arbitrator shall have no authority to newly fashion or to modify the work rule, although s/he may consider the reasonableness of the grieved work rule when rendering her/his decision and related remedy.

4. The notice will also be posted in Spanish, Chinese, and any other language spoken by 25% of employees in the medical center/campus/lab;
 5. The Employer agrees that it will not take any adverse action against any employee solely because they are listed on a "No Match Notice" received from the Social Security Administration, including firing, laying off, suspending, retaliating, or discriminating against any such employee; the Employer agrees not to improperly contact the SSA or any other governmental agency after receiving notice of a no-match from the SSA.
- F. The University will insist that a federal immigration agent or a Department of Homeland Security (DHS) agent comply with legal requirements and produce a warrant, court order or comparable compelling legal documentation before they may be allowed to interrogate, search or seize the person or property of any employee while the employee is working on the University's premises and under the University's control. If permitted by law, the University will notify the Union by telephone and/or email to the Executive Director or her/his designee once it learns that a federal immigration agent or DHS agent wishes to interrogate, search or seize the person or property of any employee on the University's premises. The foregoing shall not require the University or to deny any federal agency access to employee I-9 records if required by law.
- In the event that the Employer is served with a validly executed Search or Arrest warrant, the Employer shall arrange for a questioning of employees to occur in as private a setting as possible in the workplace.
- G. The UC Police shall adhere to the University's "Principles in Support of Undocumented Members of the UC Community."
- H. No confidential employee records will be released without a warrant, subpoena, court order or comparable compelling legal documentation, unless authorized by the bargaining unit employee or required by law.
- I. The parties will furnish to any employee terminated because he or she is not authorized to work in the United States of America, a copy of this Section of the Agreement.
- J. The Employer shall grant employees vacation time or leave without pay in accordance with the contract and existing policies when given one weeks' prior notice to attend any appointments scheduled by federal immigration officials or the U.S. Department of State with respect to immigration or citizenship status of the employee, spouse, domestic partner, child or parent. The Employer may require proof of the appointment and proof of the family relationship.
- K. The Employer shall not require or demand proof of immigration status, except as may be required by law. No employee shall be required to re-verify status except as required by law (e.g. when documents showing proof of work authorization expire.)

- L. In the event that an employee is not authorized to work in the United States of America following his or her probationary or introductory period, and his or her employment is terminated for this reason, the Employer agrees to consider re-employment. If re-employed, the employee would have to provide valid work authorization.
- M. Should any change in laws or regulations relevant to these procedures occur, including but not limited to a court ruling that sets forth any new interpretation pertaining to these procedures, then, at the union's request, the parties shall meet to determine whether any adjustments to these procedures are necessary to comply with the new legal requirements. The University may need to comply with the law irrespective of its obligation to meet with the union.
- N. On the day that any employee is sworn in as a United States citizen, the Employer shall consider requests for vacation or leave without pay in accordance with the contract and existing policies. Such requests shall not be unreasonably denied.
- O. While English is the language of the workplace, the Employer recognizes the right of employees to use the language of their choice amongst themselves, provided that such conversations are conducted in a manner respectful of patients, students and other employees and are consistent with patient and student service as well as locally established policies on this issue.
- P. Upon request of the employee, the Employer shall provide an interpreter, where such a person is available, for employees not fluent in English during any investigative interview that may lead to discipline or discharge. The interpreter shall have no connection to the discipline or investigation being discussed. When the Employer is unable to provide an interpreter, the Union may provide an interpreter. In the event an interpreter is not readily available, a written document will be given to the employee describing the issue so that the employee can consult with an interpreter.
